Agency Information Collection Activities: Submission for OMB Review; Comment Request

Periodically, the Health Resources and Services Administration (HRSA) publishes abstracts of information collection requests under review by the Office of Management and Budget, in compliance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35). To request a copy of the clearance requests submitted to OMB for review, call the HRSA Reports Clearance Office on (301)-443-1129.

The following request has been submitted to the Office of Management and Budget for review under the Paperwork Reduction Act of 1995:

Proposed Project: Grantee Reporting Requirements for the Ryan White Comprehensive AIDS Resources Emergency (CARE) Act of 1990, Title III HIV Early Intervention Services Program (OMB No. 0915-0158)—Revision and Extension

Section 2651 of the Public Health Service (PHS) Act (commonly known as Title III of the Ryan White Comprehensive AIDS Resources Emergency (CARE) Act of 1990), provides categorical funding to increase the capacity and capability of organizations that provide primary

health care to provide HIV-related early intervention services to medically underserved persons who have, or are at high risk for HIV infection. These services are provided as part of a continuum of HIV prevention and health care services.

This clearance request is for extension of OMB approval of the Title III Program Data Report form, which is submitted annually by Title III grant recipients. The bulk of the information being collected describes the epidemiologic and demographic characteristics of the populations receiving early intervention

services from grant recipients, and provides the basis for the annual report to the Secretary, which is legislatively mandated. It is also used to monitor the delivery of services, guide federal policy, and assist in program development and evaluation. Only minor revisions to the form are proposed, including deletion of some sections found to lack utility, revision of some data elements and instructions for clarity, and addition of data elements to improve the usefulness of the data.

The estimate of burden for the form is as follows:

Form name	Number of respondents	Respondents per respondent	Hours per response	Total burden hours
Program Data Report Form	166	1	84	13,944

Written comments and recommendations concerning the proposed information collection should be sent within 30 days of this notice to: Laura Oliven, Human Resources and Housing Branch, Office of Management and Budget, New Executive Office Building, Room 10235, Washington, D.C. 20503.

Dated: September 11, 1997.

Jane Harrison,

Acting Director, Division of Policy Review and Coordination.
