#### Federal Workplace Drug Testing Programs and Associated Forms: Extension of OMB Approval

The Office of Management and Budget (OMB) has approved the use of the Federal Custody and Control Form (CCF) until July 31, 2000, for Federal agency and federally regulated drug testing programs which must comply with the HHS Mandatory Guidelines for Federal Workplace Drug Testing Programs (59 FR 29908) dated June 9, 1994, and for the information provided by laboratories for the National

Laboratory Certification Program (NLCP).

The OMB approval requires that OMB Number 0930-0158 must be displayed in the upper right hand corner of the Federal Custody and Control Form, but the expiration date does not need to appear on the CCF. Additionally, the following Paperwork Reduction Act Notice must appear on the back of each copy of the CCF: Paperwork Reduction Act Notice (as required by 5 CFR 1320.21). Public reporting burden for this collection of information, including the time for reviewing instructions, gathering and maintaining the data needed, and completing and reviewing the collection of information is estimated for each respondent to average: 5 minutes/donor; 4 minutes/collector; 3 minutes/laboratory; and 3 minutes/Medical Review Officer. Send comments regarding these burden estimates or any other aspect of this collection of information, including suggestions for reducing this burden, to the SAMHSA Reports Clearance Officer, Paperwork Reduction Project (0930-0158), Room 16-105, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this project is 0930-0158.

Until current supplies are exhausted, Federal agencies and federally regulated industries are permitted to use Federal Custody and Control Forms that display the previous OMB Number, expiration date (6/30/97), and paperwork reduction act statement.

Send comments to Beatrice Rouse, SAMHSA Reports Clearance Officer, Room 16-105, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857.

**SUPPLEMENTARY INFORMATION:** The Department will submit the proposed information collection to OMB for review, as required by the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35, as amended). The Notice is soliciting comments from members of the public and affected agencies concerning the proposed collection of information to: (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information; (3) Enhance the quality, utility, and clarity of the information to be collected; and (4) Minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

This Notice also lists the following information:

**Title of Proposal:** HUD Survey Instructions and Report for Insured Multifamily Projects.

**OMB Control Number:** 2502-0010.

**Description of the Need for the Information and Proposed Use:** Form HUD-2457, HUD Survey Instructions and Report For Insured Multifamily Projects, is required to assure that land surveys and survey maps: are appropriate for marketable title and title insurance; identify elements of regulatory concern, e.g., flood hazard, for the property offered as security for mortgage insurance; and where new construction or regarding are applicable, provide necessary data for proper site

design. Form HUD-2457 is also used by the surveyor to flag site features and exceptions to title having significant bearing on site suitability and value for the intended purpose, and to certify to the surveyor's site visit to verify the continuing accuracy of older surveys and redated survey maps submitted in conjunction with applications for mortgage insurance and loan closing transactions. Form HUD-2457 is essential to the multifamily housing programs for the above reasons, and it is also highly beneficial to sponsors and surveyors involved in the delivery of projects under such programs. It defines the survey standards and requirements to meet HUD criteria for various types of projects and project circumstances and may be used as a specification for a purchase order between the project sponsor and surveyor. It also permits the surveyor to more readily determine survey and related fees and charges for mortgagor applications under various FHA programs, and provides for the surveyor's certification regarding conduct of the survey in accordance with the prescribed standards and requirements. Program regulations, 24 CFR 200.61(b), state "Title evidence for the Commissioner's examination shall include a lender's title insurance policy, which title policy provides survey coverage based on a survey acceptable to the title company and the Commissioner; or as the Commissioner may otherwise require, in accordance with terms, conditions and standards established by the Commissioner."

**Agency Form Numbers:** HUD 2457.

**Member of Affected Public:**

Approximately 750 respondents per year are estimated with an average of two submissions per project for 1500 annual submissions, each requiring 1/2 hour to complete and handle.

**Status of The Proposed Information Collection:** Reinstatement with change. The changes include: use of industry rather than HUN standards of performance in great part, identifying survey related program criteria in a single location to better inform industry participants, revision of the surveyor's certification requirements to recognize current professional liability underwriting practices and making the document more user friendly.

**Authority:** Section 3506 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.

Dated: September 16, 1997.
