In order to resolve the minor and unintentional encroachment of a private residence on Federal land, it is necessary for the National Park Service to effect a minor boundary revision and land exchange at Point Reyes National Seashore. The park boundary will be revised to include a 0.12 acre parcel of land adjacent to the boundary and delete a 0.10 acre parcel of land within the boundary. The land to be conveyed by the United States of America and deleted from the boundary is identified as Tract No. P13-130. Title to the land will be conveyed subject to title encumbrances of record as well as existing easements
