

BLM has determined under the RFA that this final rule will not have a significant economic impact on a substantial number of small entities.

#### *Unfunded Mandates Reform Act*

Removal of sections 5511.1-2, 5511-1.4, 5511.2-1(a), 5511.2-5, and 5511-4(b)(2) of 43 CFR will not result in any unfunded mandate to State, local or tribal governments in the aggregate, or to the private sector, of \$100 million or more in any one year.

#### *Executive Order 12612*

The final rule will not have a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. Therefore, in accordance with Executive Order 12612, BLM has determined that this proposed rule does not have sufficient federalism implications to warrant preparation of a Federalism assessment.

#### *Executive Order 12630*

The final rule does not represent a government action capable of interference with constitutionally protected property rights. Section 2(a)(1) of Executive Order 12630 specifically exempts actions abolishing regulations or modifying regulations in a way that lessens interference with private property use from the definition of "policies that have takings implications." Since the primary function of the final rule is to abolish unnecessary regulations, there will be no private property rights impaired as a result. Therefore, the Department of the Interior has determined that the rule would not cause a taking of private property, or require further discussion of takings implications under this Executive Order.

#### *Executive Order 12866*

According to the criteria listed in section 3(f) of Executive Order 12866, BLM has determined that the final rule is not a significant regulatory action. As such the final rule is not subject to Office of Management and Budget review under section 6(a)(3) of the order.

#### *Executive Order 12988*

The Department of the Interior has determined that this rule meets the applicable standards provided in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform.

#### *Report to Congress and the General Accounting Office*

Under 5 U.S.C. 801(a)(1)(A), as added by the Small Business Regulatory Enforcement Fairness Act of 1996, BLM submitted a report containing this rule and other required information to the U.S. Senate, the U.S. House of Representatives and the Comptroller General of the General Accounting Office before publication of the rule in today's **Federal Register**. This rule is not a "major rule" as defined by 5 U.S.C. 804(2).

See 61 FR 15724, April 9, 1996. Because the rules and regulations imposed new and modified information collection requirements, we stated that "§ 63.23(c) became effective on May 9, 1996. All other regulations take effect either May 9, 1996 or upon approval by the Office of Management and Budget (OMB), whichever occurs later." We also stated that "when approval is received, the agency will publish a document announcing the effective date." The information collections were approved by OMB on June 13, 1996. See OMB Nos. 3060-0686. This publication satisfies the statement that the Commission would publish a document announcing the effective date of the rules.

[CC Docket No. 90-337, FCC 96-160]

**Regulation of International Accounting Rates**

**AGENCY:** Federal Communications Commission.

**ACTION:** Final rule; announcement of effective date.

**SUMMARY:** The rule amended by the Commission establishing standards for reporting when a carrier interconnects an international private line to the U.S. Public Switched Network (PSN), shall become effective October 1, 1997. The decision, which contained new information collection requirements, was published in the **Federal Register** on November 21, 1996.

**EFFECTIVE DATE:** The amendment to 47 CFR § 43.51 published at 61 FR 59198 (November 21, 1996) is effective October 1, 1997.

**FOR FURTHER INFORMATION CONTACT:** Susan O'Connell, Attorney-Advisor, Policy and Facilities Branch, Telecommunications Division, International Bureau, (202) 418-1470.

**SUPPLEMENTARY INFORMATION:** On April 9, 1996, the Commission adopted a *Third Report and Order and Order on Reconsideration* ("Order") (FCC 96-160) establishing standards for reporting when a carrier interconnects an international private line to the U.S. Public Switched Network (PSN), a summary of which was published in the **Federal Register**. See 61 FR 59198, November 21, 1996. We stated that the "rule was effective December 23, 1996, except § 43.51(d), which contains new information collections which will not become effective until approval by the Office of Management and Budget (OMB)." We also stated that "the Commission will publish a document in the **Federal Register** at a later date establishing the effective date." This statement requires further action by the Commission to establish the effective date, notwithstanding the preceding statement in the summary that the rule change would become effective upon OMB approval. In order to resolve this matter in a manner that most appropriately provides interested parties with proper notice, the rule changes adopted in the Order shall become effective October 1, 1997. The information collection contained in § 43.51(d) was approved by OMB on January 6, 1997. See OMB No. 3060-0751.
