Completion of the Grant Application is required to obtain sponsorship.

In March 1997, the National Senior Service Corps (Senior Corps) announced a 60-day review and comment period, ending May 30, 1997, during which project sponsors and the public were encouraged to submit comments on the revised draft Grant Application (424-NSSC). Existing sponsors were provided copies of the draft concurrent with **Federal Register** publication.

Approximately 30 comments were received from over 1,200 existing Senior Corps projects and the public. As many of the comments as feasible were incorporated into the revised Grant Application. Key changes were the following:

- Reorganization and streamlining of the Grant Application, particularly Part III, for improved clarity and burden reduction.

- Minor modifications to Part I to reduce burden by providing additional information used by applicants in completing the form.

- Deletion of the requirement to submit *with the Grant Application*, 5-Element Planning Worksheets for priority community needs. Applicants are now only required to submit their timeline and plan for developing 5-Element Planning Worksheets at the time of their application is submitted.

- Streamlining and standardization of Attachments (Part IV).

- Addition of a table of contents and clarifying instructions.

Once approved by OMB, the revised Grant Application will be completed by all public and private, non-profit organizations applying for National Senior Service Corps funds. ### Federal Energy Regulatory Commission

[Docket No. CP97-778-000]

#### ANR Pipeline Company; Notice of Application

October 1, 1997.

Take notice that on September 26, 1997, ANR Pipeline Company (ANR), 500 Renaissance Center, Detroit, Michigan 48243, filed in Docket No. CP97-719-000, an application pursuant to Section 7(b) of the Natural Gas Act for permission and approval to abandon a natural gas transportation service for Fina Oil and Chemical Company, all as more fully set forth in the application on file with the Commission and open to public inspection.

ANR states that the transportation service was originally authorized in Docket No. CP84-651-000, *et al.* ANR further states that the service is designated as Rate Schedule X-150 in ANR's FERC Gas Tariff, Original Volume No. 2. ANR asserts that the

agreement was entered into by ANR, Fina, Louisiana Resources Company (LRC), and Faustina Pipeline Company (Faustina). ANR further asserts that under the agreement, ANR received natural gas tendered by Fina at High Island Area, Block 546, South Addition, offshore Texas. ANR indicates that it then delivered the gas to LRC at Cameron Parish, Louisiana. It is further indicated that LRC then delivered the gas to Faustina at Vermillion Parish, Louisiana, for ultimate redelivery to a petrochemical plant in Iberville Parish, Louisiana. ANR asserts that by mutual agreement ANR and Fina have agreed to terminate the service. ANR states that no facilities are proposed to be abandoned.

Any person desiring to be heard or to make protest with reference to said application should on or before October 22, 1997, file with the Federal Energy Regulatory Commission, Washington, D.C. 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that permission and approval for the proposed abandonment are required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure provided for, unless otherwise advised, it will be

unnecessary for ANR to appear or be represented at the hearing.
