## NUCLEAR REGULATORY COMMISSION

### Draft Regulatory Guide; Issuance, Availability

The Nuclear Regulatory Commission has issued for public comment a proposed revision of a guide in its Regulatory Guide Series. This series has been developed to describe and make available to the public such information as methods acceptable to the NRC staff for implementing specific parts of the NRC's regulations, techniques used by the staff in evaluating specific problems or postulated accidents, and data needed by the staff in its review of applications for permits and licenses.

The draft guide is a proposed Revision 1 to Regulatory Guide 3.54, and it is temporarily identified as DG-3010, "Spent Fuel Heat Generation in an Independent Spent Fuel Storage Installation." The guide is in Division 3, "Fuels and Materials Facilities." This regulatory guide is being revised to present a method that is acceptable to the NRC staff for calculating heat generation rates for use as design input for an independent spent fuel storage installation. The procedures proposed in this guide, for both boiling water reactors and pressurized water reactors, are simpler and therefore are expected to be more useful to applicants and reviewers.

The draft guide has not received complete staff review and does not represent an official NRC staff position.

Public comments are being solicited on the guide. Comments should be accompanied by supporting data.

Written comments may be submitted to the Rules and Directives Branch, Division of Administrative Services, Office of Administration, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001. Copies of comments received may be examined at the NRC

Public Document Room, 2120 L Street NW., Washington, DC. Comments will be most helpful if received by January 2, 1998.

Although a time limit is given for comments on this draft guide, comments and suggestions in connection with items for inclusion in guides currently being developed or improvements in all published guides are encouraged at any time.

You may also provide comments via the NRC's interactive rulemaking website through the NRC home page (<http://www.nrc.gov>). This site provides the availability to upload comments as files (any format), if your web browser supports that function. For information about the interactive rulemaking website, contact Ms. Carol Gallagher, (301) 415-5905; e-mail CAG@nrc.gov. The draft guide may also be viewed and downloaded at this interactive site.

Regulatory guides are available for inspection at the Commission's Public Document Room, 2120 L Street NW., Washington, DC. Requests for single copies of draft or final guides (which may be reproduced) or for placement on an automatic distribution list for single copies of future draft guides in specific divisions should be made in writing to the U.S. Nuclear Regulatory Commission, Washington, DC 20555, Attention: Printing, Graphics and Distribution Branch; or by fax at (301) 415-5272. Telephone requests cannot be accommodated. Regulatory guides are not copyrighted, and Commission approval is not required to reproduce them.

## SECURITIES AND EXCHANGE COMMISSION

### Issuer Delisting; Notice of Application to Withdraw From Listing and Registration; (Anicom, Inc., Common Stock, \$.001 Par Value) File No. 1-13642

October 1, 1997.

Anicom, Inc. ("Company") has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act") and Rule 12d2-2(d) promulgated

thereunder, to withdraw the above specified security ("Security") from listing and registration on the Chicago Stock Exchange, Inc. ("CHX" or "Exchange").

The reasons cited in the application for withdrawing the Security from listing and registration include the following:

The Board of Directors of the Company believes that maintenance of the dual listing on both the Chicago Stock Exchange and the Nasdaq National Market is not in the best interests of the Company's stockholders. No trading of the Company's Security has taken place on the CHX since May 1995. All of the trading activity in the Security has taken place on the Nasdaq National Market. Accordingly, the Board of Directors believes that the costs of maintaining a listing on the CHX do not justify the Company's continued listing on the CHX given the lack of trading on the Exchange.

By letter dated September 10, 1997, the CHX states that the Company has complied with the Exchange's rules relating to the delisting of the Company's Security.

Any interested person may, on or before October 23, 1997, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549, facts bearing upon whether the application has been made in accordance with the rules of the exchange and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.

### Issuer Delisting; Notice of Application to Withdraw From Listing and Registration; (Apollo Eye Group, Common Stock, \$.001 Par Value and Redeemable Warrants) File No. 1-12812

October 1, 1997.

Apollo Eye Group ("Company") has filed an application with Securities and Exchange Commission ("Commission"),

pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act") and Rule 12d-2(d) promulgated thereunder, to withdraw the above specified securities ("Securities") from listing and registration on the Boston Stock Exchange, Inc. ("BSE" or "Exchange").

The reasons cited in the application for withdrawing the Securities from listing and registration include the following:

According to the Company, the Company's Common Stock is listed on the Nasdaq Bulletin Board and is held of record by less than one hundred (100) holders. The Company's Warrants are held by record by twenty-six (26) holders, and are quoted on Nasdaq.

The Company cannot justify the expense of being listed in more than one market and thereby, wishes to withdraw from the BSE.

By letter dated April 1, 1997, the BSE informed the Company that it had no objection to the withdrawal of the Company's Securities for listing on the Exchange.

Any interested person may, on or before October 23, 1997, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549, facts bearing upon whether the application has been made in accordance with the rules of the exchange and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application for the date mentioned above, unless the Commission determines to order a hearing on the matter.

## SECURITIES AND EXCHANGE COMMISSION

### Issuer Delisting; Notice of Application to Withdraw From Listing and Registration; (Mid-Atlantic Realty Trust, Common Shares of Beneficial Interest Par Value \$0.01; 7.625% Convertible Subordinated Debentures due 2003) File No. 1-12286

October 1, 1997.

Mid-Atlantic Realty Trust ("Company") has filed an application with the Securities and Exchange Commission ("Commission"), pursuant

to Section 12(d) of the Securities Exchange Act of 1934 ("Act") and Rule 12d-2(d) promulgated thereunder, to withdraw the above specified securities ("Securities") from listing and registration on the American Stock Exchange, Inc. ("Amex" or "Exchange").

The reasons cited in the application for withdrawing the Securities from listing and registration include the following:

The Company has complied with Rule 18 of the Amex by filing with such Exchange a certified copy of preambles and resolutions adopted by the Company's Board of Directors authorizing the withdrawal of its Securities from listing on the Amex and by setting forth in detail to such Exchange the reasons for such proposed withdrawal, and the facts in support thereof.

In making the decision to withdraw its Securities from listing on the Amex, the Company considered the following:

The Company has been advised by its underwriters and financial advisers to list its Shares and Debentures on the New York Stock Exchange ("NYSE"); that such listing will help facilitate a distribution in an offering; that listing on the NYSE is beneficial to the Company in connection with a distribution of the Company's Securities overseas and on foreign exchanges; that such listing would help facilitate a distribution of the Company's Securities to institutional investors; and the underwriters have required that such listing be accomplished prior to any proposed public offering by the Company. The Company's Securities began trading on the NYSE at the opening of business on September 18, 1997.

By letter dated September 17, 1997, the Amex informed the Company that the Exchange would not object to the Company's filing of an application to withdraw its Securities from listing on the Amex.

Any interested person may, on or before October 23, 1997, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, DC 20549, facts bearing upon whether the application has been made in accordance with the rules of the exchange and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.

## SECURITIES AND EXCHANGE COMMISSION

### Issuer Delisting; Notice of Application to Withdraw From Listing and Registration; (Scudder Spain and Portugal Fund, Inc., Common Stock, \$0.01 Par Value) File No. 1-9719

October 1, 1997.

Scudder Spain and Portugal Fund, Inc. ("Company") has filed an application with Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act") and Rule 12d-2(d) promulgated thereunder, to withdraw the above specified security ("Security") from listing and registration on the American Stock Exchange, Inc. ("Amex" or "Exchange").

The reasons cited in the application for withdrawing the Security from listing and registration include the following:

Pursuant to the rules of the Amex regarding de-listing, and in particular Rule 18 of the Amex, the Company has transmitted to the Amex a certified copy of resolutions adopted by its Board of Directors ("Board") authorizing the withdrawal of the Security from listing on the Amex.

The Board and management of the Company have determined that listing the Security on the New York Stock Exchange ("NYSE") may provide potential benefits to the Company and the Company's stockholders, including increased market visibility and increased exposure of the Company among the financial community, and a potential for increased trading volume for the Security, which, if realized, could provide increased liquidity and a decrease in the discount in the market price of the Security as compared to the Company's net asset value per share of Security. The Company's Security began trading on the NYSE on July 30, 1997.

By letter dated July 18, 1997, the Amex informed the Company that the Exchange would not object to the Company's filing of the application to be removed from listing and registration on the Exchange.

Any interested person may, on or before October 23, 1997, submit by letter to the Secretary of the Securities and
