The Peoples Gas Light and Coke Company; Notice of Petition for Rate Approval

November 21, 1997.

Take notice on November 12, 1997, The Peoples Gas Light and Coke Company (Peoples Gas) filed a petition for rate approval, pursuant to Section 284.123(b)(2) of the Commission's regulations, requesting that the Commission approve as fair and equitable rates for firm and interruptible transportation services. Concurrent with this petition for rate approval, Peoples Gas states that it has filed in Docket No. CP98-84-000 an application for a

blanket certificate of public convenience and necessity to provide firm and interruptible transportation services.

Based on a straight fixed variable rate design, Peoples Gas proposes a cost-based firm transportation monthly reservation rate of \$2.0690 per MMBtu. For interruptible service, Peoples Gas proposes a maximum commodity charge, based on a 100% load factor derivation of the firm transportation rate, of \$0.0680 per MMBTU. Peoples Gas also proposes an authorized overrun charge equivalent to the interruptible transportation commodity charge of \$0.0680 per MMBTU. These proposed maximum rates would be subject to discounting by Peoples Gas.

Peoples Gas states that it is an intrastate gas distribution company serving retail customers in the City of Chicago, Illinois. Peoples Gas states it is a public utility under the Public Utilities Act of Illinois and is subject to the jurisdiction of the Illinois Commerce Commission.

Pursuant to section 284.123(b)(2)(ii), if the Commission does not act within 150 days of the filing date, the rate will be deemed to be fair and equitable and not in excess of an amount which interstate pipelines would be permitted to charge for similar transportation service. The Commission may, prior to the expiration of the 150-day period, extend the time for action or institute a proceeding to afford parties an opportunity for written comments and for the oral presentation of views, data, and arguments.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed on or before December 8, 1997. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
