The Air Force Memorial Foundation was authorized to establish a memorial on Federal land in the District of Columbia or its environs to honor the men and women who have served in the United States Air Force and its predecessors. The memorial was authorized on December 2, 1993 by enactment of Public Law 103-163 and is being developed pursuant to the Commemorative Works Act, 40 U.S.C. Sec. 1001 *et seq.* This site was approved by the National Capital Memorial Commission on March 24, 1994, the National Park Service on July 8, 1994, the Commission of Fine Arts (CFA) on September 14, 1994, and the National Capital Planning Commission (NCPC) on May 4, 1995.

While the design concept for the memorial was approved by the CFA on February 15, 1996, and by the NCPC on March 7, 1996, the final design must still be approved by the Secretary of the Interior, the CFA and the NCPC. Compliance with Section 106 of the Historic Preservation Act of 1966 was initiated on March 15, 1996, with a determination of no adverse affect in which both Commonwealth of Virginia and the District of Columbia State Historic Preservation Offices have concurred. The next phase in planning is to produce a development concept plan.

ADDRESSES: The location of the hearing will be: Overseas Private Investment Corporation, 1100 New York Avenue, N.W., 12th Floor, Washington, D.C. Procedures

(a) *Attendance; Participation.* The hearing will be open to the public. However, a person wishing to present views at the hearing must provide OPIC with advance notice on or before December 3, 1997. The notice must include the name, address and telephone number of the person who will make the presentation, the name and address of the organization which the person represents (if any) and a concise summary of the subject matter of the presentation.

(b) *Prepared Statements.* Any participant wishing to submit a prepared statement for the record must submit it to OPIC with the notice or, in any event, not later than 5 p.m. on December 12, 1997. Prepared statements must be typewritten, double spaced and may not exceed twenty-five (25) pages.

(c) *Duration of Presentations.* Oral presentations will in no event exceed ten (10) minutes, and the time for individual presentations may be reduced proportionately, if necessary, to afford all prospective participants on a particular subject an opportunity to be heard or to permit all subjects to be covered.

(d) *Agenda.* Upon receipt of the required notices, OPIC will prepare an agenda for the hearing setting forth the subject or subjects on which each participant will speak and the time allotted for each presentation. OPIC will provide each prospective participant with a copy of the agenda.

(e) *Publication of Proceedings.* A verbatim transcript of the hearing will be compiled. The transcript will be available to members of the public at the cost of reproduction.

SUPPLEMENTARY INFORMATION: OPIC is a U.S. Government agency which provides, on a commercial basis, political risk insurance and financing in friendly developing countries and emerging democracies for environmentally sound projects which confer positive developmental benefits upon the project country while creating employment in the U.S. OPIC is required by section 231A(b) of the Foreign Assistance Act of 1961, as amended ("the Act") to hold at least one public hearing each year.

Among other issues, OPIC's annual public hearing has, in previous years, provided a forum for testimony concerning section 231A(a) of the Act. This section provides that OPIC may operate its programs only in those countries that are determined to be "taking steps to adopt and implement laws that extend internationally recognized worker rights to workers in that country (including any designated zone in that country)."

Based on consultations with Congress, OPIC complies with annual determinations made by the Executive Branch with respect to worker rights for countries that are eligible for the Generalized System of Preferences (GSP). Any country for which GSP eligibility is revoked on account of its failure to take steps to adopt and implement internationally recognized worker rights is subject concurrently to the suspension of OPIC programs until such time as a favorable worker rights determination can be made.

For non-GSP countries in which OPIC operates its programs, OPIC reviews any country which is the subject of a formal challenge at its annual public hearing. To qualify as a formal challenge, testimony must pertain directly to the worker rights requirements of the law as defined in OPIC's 1985 reauthorizing legislation (P.L. 99-204) with reference to the Trade Act of 1974, as amended, and be supported by factual information.

FOR FURTHER INFORMATION ABOUT THE PUBLIC HEARING CONTACT: Harvey A. Himberg, Financial Management and Statutory Review Department, Overseas Private Investment Corporation, 1100 New York Avenue, N.W., Washington, D.C. 20527 (202) 336-8614 or by facsimile at (202) 218-0177.

Dated: November 21, 1997.

Assistant General Counsel, Department of Legal Affairs.
