

The Commission determined that a permanent limited exclusion order and a permanent cease and desist order directed to domestic respondent Mentor are the appropriate form of relief. The Commission further determined that the statutory public interest factors do not preclude the issuance of such relief, and that respondents' bond under the permanent limited exclusion order and the permanent cease and desist order shall be in the amount of 43 percent of the entered value of the imported articles if the entered value is based on transaction value as defined by the U.S. Customs Service, and 180 percent of the entered value of such articles if the entered value is based on other than transaction value.

Copies of all nonconfidential documents filed in connection with this investigation are available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street SW., Washington, D.C. 20436, telephone 202-205-2000. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on 202-205-1810.
