Amended Certification Regarding
Eligibility to Apply for Worker
Adjustment Assistance**

In accordance with Section 223 of the Trade Act of 1974 (19 USC 2273) the Department Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on August 7, 1997, applicable to workers of Levi Strauss and Company, located in El Paso, Texas. The notice was published in the **Federal Register** on September 17, 1997 (62 FR 48888). The certification was subsequently amended to include the subject firm workers at El Paso Field Headquarters in El Paso, Texas. The amendment was issued on September 14, 1997, and published in the **Federal Register** on September 30, 1997 (62 FR 51155).

At the request of the State agency and the company, the Department reviewed the certification for workers of the subject firm. New information received by the company shows that worker separations will occur at the Levi Strauss and Company production facilities located in Fayetteville and Harrison, Arkansas. The company also reports layoffs at the Dallas CF Regional Office in Dallas, Texas. The workers at these three locations are engaged in employment related to the production of men's, women's and youth's denim jeans and jackets. Based on this new information, the Department is amending the certification to cover the subject firm's workers in Fayetteville and Harrison, Arkansas, and Dallas, Texas.

The intent of the Department's certification is to include all workers of Levi Strauss and Company who were adversely affected by increased imports of men's, women's and youth's denim jeans and jackets.

The amended notice applicable to TA-W-33,513 is hereby issued as follows:

All workers of Levi Strauss and Company, Goodyear Cutting Facility and El Paso Field Headquarters, El Paso, Texas (TA-W-33,513), Fayetteville, Arkansas (TA-W-33,513Y), Harrison, Arkansas (TA-W-33,513Z), and Dallas, Texas (TA-W-33,513AA) who were engaged in employment

related to the production of men's, women's and youth's denim jeans and jackets who became totally or partially separated from employment on or after May 13, 1996 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed at Washington D.C. this 9th day of December 1997.
