[Docket No. ER98-107-000]

Sithe Power Marketing, Inc.; Notice of Issuance of Order

December 15, 1997.

Sithe Power Marketing, Inc. (Sithe) submitted for filing a rate schedule under which Sithe will engage in wholesale electric power and energy transactions as a marketer. Sithe also requested waiver of various Commission regulations. In particular, Sithe requested that the Commission grant blanket approval under 18 CFR Part 34 of all future issuances of securities and assumptions of liability by Sithe.

On December 4, 1997, pursuant to delegated authority, the Director, Division of Rate Applications, Office of Electric Power Regulation, granted requests for blanket approval under Part 34, subject to the following:

Within thirty days of the date of the order, any person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by Sithe should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C.

20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214).

Absent a request for hearing within this period, Sithe is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purpose of the applicant, and compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of Sithe's issuances of securities or assumptions of liability.

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is January 5, 1998. Copies of the full text of the order are available from the Commission's Public Reference Branch, 888 First Street, N.E., Washington, D.C. 20426.

Lois D. Cashell,
Secretary.

k. *Description of Proceeding:* The Commission has begun a proceeding to determine if reserved authority in article 17 of the license should be used to require 15-inch flashboards on the top of Lock and Dam 9, part of the Allegheny River Lock and Dam 8 and 9 Project. The proceeding is in response to concerns raised by the Pennsylvania Fish and Boat Commission and private citizens about the impacts of project-induced lower water levels on recreational boating in the Lock 9 pool. Flashboards could be used to increase water levels in the Lock 9 pool to more closely resemble pre-hydroelectric project conditions. Flashboards have been authorized as an interim measure since 1994.

The Commission prepared a draft environmental assessment (EA) analyzing the environmental impacts of using 15-inch flashboards for public review and comment. A copy of the draft EA can be obtained by calling the Commission's public reference room at (202) 208-1371.
