### Notice of Lodging of Consent Decree Pursuant to the Clean Air Act

In accordance with Departmental policy, 28 CFR 50.7, notice is hereby given that a proposed consent decree in *United States v. Franklin Smelting & Refining Corp.*, Civil Action No. 97-0821, was lodged on February 4, 1997

with the United States District Court for the Eastern District of Pennsylvania.

The complaint, filed contemporaneously with the lodging of the proposed consent decree, sought civil penalties and injunctive relief against Franklin Smelting & Refining Corporation ("Franklin Smelting") under the Clean Air Act. The complaint alleged that Franklin Smelting has violated the Clean Air Act, 42 U.S.C. § 7401 *et seq.*, and the Pennsylvania Implementation Plan.

Under the proposed consent decree, Franklin Smelting has agreed to install and operate pollution control equipment, including building enclosures and baghouse systems at its facility at Castor Avenue of Richmond Street, Philadelphia, Pennsylvania, and pay \$50,000 in civil penalties. The settlement is based on a demonstration by Franklin Smelting of its financial inability to pay the United States for any additional civil penalties.

The Department of Justice will receive, for a period of thirty (30) days from the date of this publication, comments relating to the proposed consent decree. Comments should be addressed to the Assistant Attorney General for the Environment and Natural Resources Division, U.S. Department of Justice, 950 Pennsylvania Avenue, NW., Washington, DC 20530-0001 and should refer to *United States v. Franklin Smelting & Refining Corp.*, DOJ Ref. #90-5-2-1-2041.
