The EPA began the ICR process with the first notice published in the Federal Register on December 31, 1996. This notice is in addition to and does not alter the comment process outlined in the December 31, 1996 notice. We are seeking emergency processing of the ICR to allow the awarding of capitalization grants beginning on February 28, 1997. Approval of the ICR through the emergency request process will allow a 90-day, temporary collection of the information needed to process those grants.
