DEPARTMENT OF HEALTH AND HUMAN SERVICES

Health Care Financing Administration

[Document Identifier: HCFA-P-15-A]

Agency Information Collection Activities: Submission for OMB Review; Comment Request

AGENCY: Health Care Financing Administration, HHS.

In compliance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Health Care Financing Administration (HCFA), Department of Health and Human Services, has submitted to the Office of Management and Budget (OMB) the following proposals for the collection of information. Interested persons are invited to send comments regarding the burden estimate or any other aspect of this collection of information, including any of the following subjects: (1) the necessity and utility of the proposed information collection for the proper performance of the agency's functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

1. HCFA-P-15A *Type of Information Collection Request:* Extension of currently approved collection; *Title of Information Collection:* Medicare Current Beneficiary Survey Supplement—Round 18; *Form No.:* HCFA-P-15A; *Use:* The Office of the Actuary, HCFA, conducts the Medicare Current Beneficiary Survey (MCBS) through personal interviews of a random sample of Medicare beneficiaries. When sampled persons are found to reside in a long-term care facility, interviewers use a version of the questionnaire which is specially designed to obtain data about the beneficiary's health care from knowledgeable staff members. We are preparing to convert the facility interview from a hard-copy questionnaire to a Computer Assisted Personal Interviewing (CAPI) format,

beginning in May, 1997. CAPI, which we are currently using in the community interviews, increases the accuracy of the interview process by automating skip patterns, customizing questions, creating computed variables such as a time line of residence history, and automatically checking completeness and consistency of responses. Concurrently, we are modifying some of the questions we currently use in the facility interview to make them more comparable to those in other surveys, particularly the Medical Expenditure Panel Survey (MEPS). These modifications are responsive to the President's initiative toward consistency and integration among surveys; *Frequency*: Annually; *Affected Public*:; *Number of Respondents*: 1,900; *Total Annual Responses*: 1,900; *Total Annual Hours*: 1,900.

To obtain copies of the supporting statement and any related forms, E-mail your request, including your address and phone number, to Paperwork@hcfa.gov, or call the Reports Clearance Office on (410) 786-1326. Written comments and recommendations for the proposed information collections should be sent within 30 days of this notice directly to the OMB Desk Officer designated at the following address: OMB Human Resources and Housing Branch, Attention: Allison Eydt, New Executive Office Building, Room 10235, Washington, D.C. 20503.

Dated: February 26, 1997.

SUPPLEMENTARY INFORMATION:

I. Background

Under section 1115 of the Social Security Act (the Act), the Department of Health and Human Services (HHS) may consider and approve research and demonstration proposals with a broad range of policy objectives. These demonstrations can lead to improvements in achieving the purposes of the Act.

In exercising her discretionary authority, the Secretary has developed a number of policies and procedures for reviewing proposals. On September 27, 1994, we published a notice in the Federal Register (59 FR 49249) that specified (1) the principles that we ordinarily will consider when approving or disapproving demonstration projects under the authority in section 1115(a) of the Act; (2) the procedures we expect States to use in involving the public in the development of proposed demonstration projects under section 1115; and (3) the procedures we ordinarily will follow in reviewing demonstration proposals. We are committed to a thorough and expeditious review of State requests to conduct such demonstrations.

As part of our procedures, we publish a notice in the Federal Register with a monthly listing of all new submissions, pending proposals, approvals, disapprovals, and withdrawn proposals. Proposals submitted in response to a grant solicitation or other competitive process are reported as received during the month that such grant or bid is awarded, so as to prevent interference with the awards process.
