SUPPLEMENTARY INFORMATION: The National Assessment Governing Board is established under section 412 of the National Education Statistics Act of 1994 (Title IV of the Improving America's Schools Act of 1994) (Pub. L. 103-382).

The Board is established to formulate policy guidelines for the National Assessment of Educational Progress. The Board is responsible for selecting subject areas to be assessed, developing assessment objectives, identifying appropriate achievement goals for each grade and subject tested, and establishing standards and procedures for interstate and national comparisons.

On March 6, from 3:00—5:00 P.M., there will be a closed meeting of the Achievement Levels Committee. The Committee will discuss results of the current 1996 science level-setting activities and review the current analysis of data and proposed exemplar items. This meeting must be conducted in closed session because references will be made to specific items from the assessment and premature disclosure of the information presented for review would be likely to significantly frustrate implementation of a proposed agency action. Such matters are protected by

exemption (9)(B) of Section 552b(c) of Title 5 U.S.C. The Nominations Committee will meet in closed session from 3:00 P.M.—5:00 P.M. and 7:00 P.M.—9:00 P.M. These sessions must be closed because the committee will be considering qualifications of nominees for appointment to Board membership. The review and subsequent discussion of this information will touch upon matters that relate solely to the internal rules and practices of an agency and would disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy if conducted in open session. Such matters are protected by exemptions (2) and (6) of Section 552b(c) of Title 5 U.S.C.

Also on March 6, the Executive Committee will meet in a partially closed session. During the open portion of the meeting, 5:00 P.M.—6:00 P.M., the Committee will hear an update on the NAEP redesign policies and review the proposed schedule of assessments. The Committee will then meet in closed session from 6:00 P.M.—7:00 P.M. to discuss the development of cost estimates for NAEP and future contract initiatives. This portion of the meeting must be closed because public disclosure of this information would likely have an adverse financial affect on the NAEP program. The discussion of this information would be likely to significantly frustrate implementation of a proposed agency action if conducted in open session. Such matters are protected by exemption (9)(B) of Section 552b(c) of Title 5 U.S.C.

On March 7, the full Board will convene in open session at 8:30 A.M. The agenda for this session of the full Board meeting includes approval of the agenda, the Executive Director's Report, a presentation on assessment in South Carolina, and an update on NAEP. Between 10:00 A.M. and 12:30 P.M. there will be a joint meeting (open) of Subject Area committees #1 and #2. In this joint meeting, the Committees will discuss the status of the 1997 assessments, upcoming item reviews for 1998, and various assigned issues related to NAEP redesign.

The Design and Methodology Committee and the Reporting and Dissemination Committee will each meet in open session from 10:00 A.M.—11:00 A.M. The Design and Methodology Committee will formally approve technical design changes to be implemented in the 1998 assessment and discuss issues pertaining to the redesign of NAEP.

The Reporting and Dissemination Committee will discuss the plan for the
