**Notice of Computer Matching Program,
Federal Bureau of Prisons (BOP) Data
Systems With SSA**

A. Participating Agencies

SSA and BOP.

B. Purpose of the Matching Program

Section 202(x)(1) of the Social Security Act (the Act), 42 U.S.C. 402(x)(1), prohibits SSA from paying old-age, survivors, and disability insurance benefits to certain confined persons, including certain prisoners under title II of the Act. Section 1611(e)(1)(A) of the Act, 42 U.S.C. 382(e)(1)(A), provides, with some exceptions, that inmates in public institutions are not eligible for payments in the Supplemental Security Income (SSI) program under title XVI of the Act. Sections 205(j)(1)(A), 205(j)(5), 1631(a)(2)(A)(iii) and 1631(a)(2)(E), 42 U.S.C., 405(j)(1)(A), 405(j)(5), 1383(g)(2)(A)(iii) and 1383(a)(2)(E) require SSA to revoke certification for payment of benefits to representative payees under certain circumstances and to investigate and monitor the performance of representative payees. The incarceration or confinement of a representative payee is a circumstance highly relevant to SSA's consideration of an individual's representative payee status under these provisions. The purpose of this matching program is to assist SSA in enforcing all of the above-referenced provisions of the Act.

**C. Authority for Conducting the
Matching Program**

Section 202(x)(1), 202(x)(3), 205(j)(1)(A), 205(j)(5), 1611(e)(1)(A), and 1631(a)(2)(A)(iii) and 1631(a)(2)(E) of the Act.

**D. Categories of Records and
Individuals Covered by the Match**

The Federal Bureau of Prisons will submit names and other identifying information of prisoners from its prisoner data systems. The SSA Master Files of Social Security number (SSN) holders and SSN applications contain the SSNs and identifying information for all SSN holders. The SSA Master Beneficiary Record and Supplemental Security Income Record contains beneficiary and payment information. The Master Representative Payee File contains representative payee information. SSA will match data from these record systems with BOP data as a first step in detecting certain individuals who should not be receiving

Social Security or SSI benefits, either for themselves, or on behalf of others.

E. Inclusive Dates of the Match

This matching program shall become effective no sooner than 40 days after notice of the program is sent to Congress and the Office of Management and Budget, or 30 days after publication of this notice in the Federal Register, whichever date is later. The matching program will continue for 18 months from the effective date and may be extended for an additional 12 months thereafter, if certain conditions are met.
