

years. The first year will be funded at approximately \$400,000.

This is not a general request for applications. The renewal clinical training grant will only be made to the APA based on the receipt of a satisfactory application that is considered to have sufficient merit by an Initial Review Group and the CMHS National Advisory Council.

AUTHORITY: The award will be made under the authority of section 303 of the Public Health Service (PHS) Act. The authority to administer this program has been delegated to the Director, CMHS. The Catalog of Federal Domestic Assistance number for this program is 93.244.

BACKGROUND: Section 303 of the Public Health Service Act assigns to the Secretary, acting through the Director of CMHS, certain responsibility for the clinical training of mental health professionals. CMHS is concerned with the treatment of underserved priority populations; i.e., adults with serious mental illness; children with serious emotional disturbance; elderly, ethnic minority and/or rural populations with mental and addictive disorders. CMHS also considers the lack of suitably trained professionals to be a major cause of the lack of access for ethnic minority communities to appropriate mental health and substance abuse services. Accordingly, CMHS has the responsibility for providing support to facilitate the entry of ethnic minority students into mental health careers and increase the number of professionals trained at the doctoral-level to teach, administer, and provide direct mental health and substance abuse services to ethnic minority communities.

Over the past several decades, the Federal mental health clinical training program at CMHS (and previously at the National Institute of Mental Health [NIMH]) has addressed this gap primarily by attempting to increase the numbers of professionals who wish to dedicate themselves to serving ethnic minority populations with mental and addictive disorders.

A renewal application may be submitted only by the APA. This professional organization has unique access to those students entering the profession of psychiatry. The field of psychiatry has been nationally recognized for decades as part of the four core mental health disciplines, along with psychology, nursing and social work. The American Psychological Association, the American Nursing Association, and the Counsel on Social Work Education also have ongoing CMHS MFP grant support.

Psychiatrists provide part of an essential core of services for individuals with serious mental illness and also less severe mental disorders.

The APA is the largest national professional psychiatrists' organization in the country. The APA and its affiliates have activities in all major areas of national policies affecting psychiatry as a profession, including education and training.

The APA, along with its affiliates, has direct involvement in curriculum development, school accreditation, and post-doctoral training. The APA has had decades of experience in working directly with university training programs in its respective field.

Because of the above unique characteristics and long experience, NIMH, the original funding agency, chose APA as the exclusive representative for the field of psychiatry. For over 20 years, the APA has administered the MFP exceptionally well; recruited excellent students, assured that all program requirements were satisfied, and effectively monitored the progress of fellows during and after the fellowship period. The MFP grantee continues in its unique position to represent this core mental health discipline and eligibility for continuation funding has been restricted to it accordingly.

Therefore, because the APA's grant support will end in FY 1998, CMHS is providing additional support for up to 3 years via a renewal grant award.

FOR FURTHER INFORMATION: Questions concerning the CMHS MFP may be directed to Mildred Brooks-McDow, MSW, LICSW, Division of State and Community Systems Development, Human Resources Planning and Development Branch, CMHS, Room 15C-26, 5600 Fishers Lane, Rockville, Maryland 20857, telephone (301) 443-4257.

BILLING CODE 4162-20-P

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-4235-N-45]

Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

FOR FURTHER INFORMATION CONTACT: Mark Johnston, room 7256, Department of Housing and Urban Development, 451 Seventh Street SW, Washington, DC 20410; telephone (202) 708-1226; TDD number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 1-800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Brian Rooney, Division of Property Management, Program Support Center, HHS, room 5B-41, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the

opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Mark Johnston at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (*i.e.*, acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: ARMY: Mr. Jeff Holste, CECPW-FP, U.S. Army Center for Public Works, 7701 Telegraph Road, Alexandria, VA 22315; (703) 428-6318; (These are not toll-free numbers).

Dated: February 26, 1998.

Deputy Assistant Secretary for Economic Development.
