**Maine Yankee Atomic Power Company  
(Including Workers of American  
Protective Services) Wascasset, ME;  
Amended Certification Regarding  
Eligibility To Apply for Worker  
Adjustment Assistance**

In accordance with section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on January 23, 1998, applicable to all workers of Main Yankee Atomic Power Company, located in Wiscasset, Maine. The notice was published in the **Federal Register** on February 18, 1998 (63 FR 8211).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. New information provided by the State shows that some workers separated from employment at Maine Yankee Atomic Power Company had their wages reported under a separate unemployment insurance (UI) tax account at American Protective Services. Workers from American Protective Services provided the security detail for the Wiscasset, Maine location on Maine Yankee Atomic Power Company. Worker separations occurred at American Protective Services as a result of decommissioning the Main Yankee Atomic Power Company.

Accordingly, the Department is amending the certification to reflect this matter.

The intent of the Department's certification is to include all workers of Main Yankee Atomic Power Company adversely affected by imports.

The amended notice applicable to TA-W-33,941 is hereby issued as follows:

All workers of Maine Yankee Atomic Power Company, Wiscasset, Maine and all workers of American Protective Services, Wiscasset, Maine that provided security detail for Main Yankee Atomic Power Company, Wiscasset, Maine who became totally or partially separated from employment on or after October 21, 1996, through January 23, 2000 are eligible to apply for adjustment assistance under section 223 of the Trade Act of 1974.
