Foreign-Trade Zones Board

[Docket 13-98]

Foreign-Trade Zone 216—Olympia, WA Request for Export Processing Authority; Darigold, Inc. Dairy By-Products

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the Port of Olympia, grantee of FTZ 216, pursuant to § 400.32(b)(1) of the Board's regulations (15 CFR Part 400), requesting authority on behalf of Darigold, Inc. (Darigold), to process certain dairy by-products for export under FTZ procedures within FTZ 216. It was formally filed on March 19, 1998.

Darigold operates a 74,000 square foot dairy product processing facility (37 employees) within FTZ 216—Site 13 located at 67 S.W. Chehalis Avenue in Chehalis, Washington, for manufacturing/ processing a variety of dairy products, such as dry milk and whey, for the U.S. market and export. This application requests authority on behalf of Darigold to process foreign origin, ex-quota liquid whey permeate (a by-product of cheese manufacturing) into dried whey under FTZ procedures for export. In this activity, foreign whey permeate (HTSUS 0404.10.11, duty rate—13%) would be admitted to FTZ 216 to be processed (pasteurized,

evaporated, crystallized, dried) into powdered whey (HTSUS 0404.10.50, 3.3%). All of the finished powdered whey would be exported in 25 kilogram bags, and no foreign, ex-quota liquid whey permeate would be entered for U.S. consumption.

FTZ procedures would exempt Darigold from U.S. dairy product quota requirements and Customs duty payments on the foreign whey permeate used in this export activity. The application indicates that the savings from FTZ procedures would help improve the plant's international competitiveness.

Public comment on the application is invited from interested parties. Submissions (original and three copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is May 11, 1998. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period (to May 26, 1998).

A copy of the application will be available for public inspection at the following location: Office of the Executive Secretary, Foreign-Trade Zones Board, Room 3716, U.S. Department of Commerce, 14th Street & Pennsylvania Avenue, NW, Washington, DC 20230.

Dated: March 19, 1998.

Termination of New Shipper Review

On February 19, 1998, counsel for Amabile informed the Department in writing that its only U.S. sales during the period of review had been canceled.
