

Land Management have determined that, pursuant to 43 CFR 10.2 (d)(1), the human remains listed above represent the physical remains of one individual of Native American ancestry. Officials of the Bureau of Land Management have also determined that the minimum 4,061 objects listed above are reasonably believed to have been placed with or near individual human remains at the time of death or later as part of the death rite or ceremony. Lastly, officials of the Bureau of Land Management have determined that, pursuant to 43 CFR 10.2 (e), there is a relationship of shared group identity which can be reasonably traced between these Native American human remains and associated funerary objects and the Paiute-Shoshone Tribe of the Fallon Reservation and Colony.

This notice has been sent to officials of the Paiute-Shoshone Tribe of the Fallon Reservation and Colony. Representatives of any other Indian tribe that believes itself to be culturally affiliated with these human remains and associated funerary objects should contact Cynthia Ellis, NAGPRA Coordinator, Nevada State Office, BLM, P.O. Box 1200, Reno, NV 89520; telephone: (702) 785-6469, before April 27, 1998. Repatriation of the human remains and associated funerary objects to the culturally affiliated tribe may begin after that date if no additional claimants come forward.

The National Park Service is not responsible for the determinations within this notice.

Dated: March 23, 1998.

S. Terry Childs,

Acting Departmental Consulting Archeologist,

Archeology and Ethnography Program.
