Solid Urea from the Former German Democratic Republic: Final Results (Revocation of Order) of Changed Circumstances Antidumping Duty Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of final results of changed circumstances antidumping duty review.

SUMMARY: In response to a letter filed on January 26, 1998, by the Ad Hoc Committee of Domestic Nitrogen Producers (petitioners) indicating that they have no further interest in the relief provided by the antidumping duty order on solid urea from the former German Democratic Republic (G.D.R.), the Department of Commerce (the Department) initiated a changed circumstances review issued a

preliminary intent to revoke the antidumping duty finding on solid urea from the former G.D.R. on February 12, 1998. We have now completed that review. Based on the fact that the petitioners have expressed no further interest in the antidumping duty order on solid urea from the former G.D.R. and the Department has not received any comments from interested parties, we are revoking this finding.

EFFECTIVE DATE: April 3, 1998.

In addition, unless otherwise indicated, all citations to the Department's regulations are to the regulations codified at 19 CFR 351 (62 FR 27296).

SUPPLEMENTARY INFORMATION:

Background

On January 26, 1998, petitioners informed the Department in writing that they do not object to a changed circumstances review and have no further interest in the relief provided by the antidumping duty order on solid urea from the former G.D.R.

Scope of the Review

Imports covered by this review are those of solid urea. At the time of the publication of the antidumping duty order, such merchandise was classifiable under item 480.30 of the Tariff Schedules of the United States Annotated (TSUSA). This merchandise is currently classified under the Harmonized Tariff Schedule of the United States (HTS) item number 3102.10.00. These TSUSA and HTS item numbers are provided for convenience and Customs purposes only. The Department's written description of the scope remains dispositive for purposes of the order.

Comments

Although we gave interested parties an opportunity to comment on the preliminary results, none were submitted.
