#### Description

On December 23, 1985, the President signed the Food Security Act of 1985 (Pub. L. 99-198). This legislation amended sections 5(f) and (g) of the Agriculture and Consumer Protection Act of 1973 (7 U.S.C. 612c note) to require that the Secretary permit agencies administering the CSFP to serve elderly persons if such service can be provided without reducing service levels for women, infants, and children. The law also mandates establishment of income eligibility requirements for elderly participation. Prior to enactment of Pub. L. 99-198, elderly participation was restricted by law to three designated pilot projects which served the elderly in accordance with agreements with the Department.

In order to implement the CSFP mandates of Pub. L. 99-198, the Department published an interim rule on September 17, 1986 at 51 FR 32895 and a final rule on February 18, 1988, at 58 FR 8287. These regulations defined "elderly persons" as those who are 60 years or older (7 CFR 247.2). The final rule further stipulates that elderly persons certified on or after September 17, 1986 must have "household income at or below 130 percent of the Federal Poverty Income Guidelines published annually by the Department of Health and Human Services" (7 CFR 247.7(a)(3)).

The Federal Poverty Income Guidelines are revised annually to reflect changes in the Consumer Price Index. The revision for 1998 was published by the Department of Health and Human Services (DHHS) in the **Federal Register** for February 24, 1998 at 63 FR 9235. To establish income limits of 130 percent, the guidelines were multiplied by 1.30 and the results rounded up to the next whole dollar.

At this time, the Department is publishing the income limits of 130 percent of the poverty income guidelines. The table in this notice contains the income limits by household size to be used for elderly certification in the CSFP for the period July 1, 1998-June 30, 1999.

**SUPPLEMENTARY INFORMATION:** The passenger transportation portion of the RBEG program is authorized by section 310B(c)(2) of the Consolidated Farm and Rural Development Act (CONACT) (7

U.S.C. 1932). The RBEG program is administered on behalf of RBS at the State level by the Rural Development State Offices. The primary objective of the program is to improve the economic conditions of rural areas. Assistance provided to rural areas under this program may include on-site technical assistance to local and regional governments, public transit agencies, and related nonprofit and for-profit organizations in rural areas; the development of training materials; and the provision of necessary training assistance to local officials and agencies in rural areas.

Awards under the RBEG passenger transportation program are made on a competitive basis using specific selection criteria contained in 7 CFR part 1942, subpart G, and in accordance with section 310B(c)(2) of the CONACT. That subpart also contains the information required to be in the preapplication package. Up to 25 Administrator's points may be added to an application's priority score based on the extent to which the application targets assistance to Empowerment Zones/Enterprise Communities, Champion Communities, or other rural communities that have experienced pervasive poverty, out-migration of population, or sudden severe structural changes in the local economy. A project that scores the greatest number of points based on the selection criteria and Administrator's points will be selected. Preapplications will be tentatively scored by the State Offices and submitted to the National Office for review, final scoring, and selection.

To be considered "national", a qualified organization is required to provide evidence that it operates in multi-state areas. There is not a requirement to use the grant funds in a multi-state area. Under this program, grants are made to a qualified private nonprofit organization for the provision of technical assistance and training to rural communities for the purpose of improving passenger transportation services or facilities. Public bodies are not eligible for passenger transportation RBEG grants.

Refer to section 310B(c)(2) (7 U.S.C. 1932) of the CONACT and 7 CFR part 1942 subpart G for the information collection requirements of the RBEG program.

**Fiscal Year 1998 Preapplication Submission**

Each preapplication received in a Rural Development State Office will be

reviewed to determine if the preapplication is consistent with the eligible purposes outlined in 7 CFR part 1942, subpart G, and section 310B(c)(2) of the CONACT. Each selection priorities criterion outlined in 7 CFR part 1942, subpart G, section 1942.305(b)(3), must be addressed in the preapplication. Failure to address any of the criteria will result in a zero-point score for that criterion and will impact the overall evaluation of the preapplication. Copies of 7 CFR part 1942, subpart G, will be provided to any interested applicant making a request to a Rural Development State Office listed in this notice. All projects to receive technical assistance through these passenger transportation grant funds are to be identified when the preapplication is submitted to the Rural Development State Office. Multiple project preapplications must identify each individual project, indicate the amount of funding requested for each individual project, and address the criteria as stated above for each individual project. For a multiple-project preapplication, the average of the individual project scores will be the score for that preapplication.

All eligible preapplications, along with tentative scoring sheets and the Rural Development State Director's recommendation, will be referred to the National Office no later than July 15, 1998, for final scoring and selection for award.

The National Office will score preapplications based on the grant selection criteria and weights contained in 7 CFR part 1942, subpart G, and Administrator's points, and will select an awardee subject to the awardee's satisfactory submission of a formal application and related materials in the manner and time frame established by RBS in accordance with 7 CFR part 1942, subpart G. It is anticipated that the grant awardee will be selected by August 28, 1998. All applicants will be notified by RBS of the Agency decision on the award.

The information collection requirements within this Notice are covered under OMB No. 0570-0022 and 7 CFR part 1942, subpart G.

Dated: April 20, 1998.
