I. Background

The AGAR implements the Federal Acquisition Regulation (FAR) (48 CFR Ch. 1) where further implementation is needed, and supplements the FAR when coverage is needed for subject matter not covered by the FAR. The AGAR is being revised to reflect changes in the Federal Acquisition Regulation through Federal Acquisition Circular 97-01 and to correct minor errors and omissions in the AGAR. In this rulemaking document, the Department of Agriculture is making corrections to the AGAR as a direct final rule, since the corrections are non-controversial and unlikely to generate adverse comment. The corrections are clerical or procedural in nature, and do not affect the public.

The following changes have been made to the rule.

(a) AGAR 401.170 is added to inform users about the USDA Departmental Administration Procurement Homepage.

(b) AGAR 402.101 is amended to change the title of the Senior Procurement Executive's organization.

(c) AGAR 403.104-5, 422.608, 422.608-4, 425.203, and 425.204 have been removed to reflect amendments to the FAR.

(d) AGAR 403.104-11, 416.404, 416.404-2, and 416.405 have been redesignated 403.104-10, 416.405, 416.405-2, and 416.406, respectively, to reflect amendments to the FAR.

(e) The title of AGAR subpart 408.7 is amended to refer to the "severely disabled" instead of the "severely handicapped".

(f) The definition of "debarred official" in AGAR 409.403 is amended to clarify the authority of the Executive Vice President, Commodity Credit

Corporation (CCC) to conduct suspension or debarment actions related to CCC commodity contracts. This amendment reflects suspension and debarment authority conferred on CCC by 7 CFR 1407.

(g) AGAR 411.171 and 411.404 have been revised to reflect changes to the numbering of six clauses referenced in these sections.

(h) AGAR 419.602-3 and 425.202 have been revised to reflect amendments to the FAR.

(i) The schedule for submission of subcontract award data to the Office of Small and Disadvantaged Business Utilization by USDA agencies has been changed, and AGAR 419.201-73 is amended accordingly.

(j) The citation to the definition of "major system" in the FAR is corrected to conform to an amendment to the FAR. AGAR 434.001 is revised to cite the definition at FAR 2.101.

(k) AGAR part 436 is revised to remove subpart 436.3 and to redesignate 436.302 as 436.213-2 to reflect an amendment to the FAR.

(l) AGAR 436.575, Maximum workweek—construction schedule, is revised to add a reference to FAR clause 52.236-15, Schedules for Construction Contracts.

(m) Clauses 452.211-1 through 452.211-6 are redesignated 452.211-70 through 452.211-75, respectively, to conform to the numbering scheme established by FAR 1.303. Clause 452.232-1 likewise is redesignated 452.232-70 to conform to this numbering system.

II. Procedural Requirements

A. Executive Order Nos. 12866 and 12988

A work plan was prepared for this regulation and submitted to the Office of Management and Budget pursuant to Executive Order No. 12866. The rule has been determined to be not significant for the purposes of Executive Order No. 12866. Therefore, the rule has not been reviewed by the Office of Management and Budget. This rule has been reviewed in accordance with Executive Order No. 12988, Civil Justice Reform. The proposed rule meets the applicable standards in section 3 of Executive Order No. 12988.

B. Regulatory Flexibility Act

This rule was reviewed under the Regulatory Flexibility Act, 5 U.S.C. 601-611, which requires preparation of a regulatory flexibility analysis for any rule which is likely to have significant economic impact on a substantial number of small entities. The

corrections to the AGAR do not affect the way in which USDA conducts its acquisitions or otherwise interacts with the public. USDA certifies that this proposed rule will not have a significant economic effect on a substantial number of small entities, and, therefore, no regulatory flexibility analysis has been prepared.

C. Paperwork Reduction Act

No information collection or recordkeeping requirements are imposed on the public by this final rule. Accordingly no OMB clearance is required by section 350(h) of the Paperwork Reduction Act, 44 U.S.C. 3501, *et seq.*, or OMB's implementing regulation at 5 CFR Part 1320.

D. Small Business Regulatory Enforcement Fairness Act

This final rule has been submitted to each House of Congress and the Comptroller General in accordance with the Small Business Regulatory Enforcement Fairness Act of 1996, 5 U.S.C. 801 *et seq.*

Agriculture Acquisition Regulation; Preference for Selected Biobased Products

AGENCY: Office of Procurement and Property Management, USDA.

ACTION: Final rule.

SUMMARY: This document amends the Agriculture Acquisition Regulation (AGAR) to establish policy and procedures for set-asides and preferences for products developed with assistance provided by the Alternative Agricultural Research and Commercialization Corporation (AARCC). This amendment is needed to implement the set-asides and preferences described in section 1665 of the Food, Agriculture, Conservation and Trade Act of 1990 (7 U.S.C. 5909). USDA will use these new policies and procedures to increase its acquisition of AARCC supported products.

DATES: This rule is effective July 14, 1998.

FOR FURTHER INFORMATION CONTACT: J.R. Holcombe, Jr., (202) 720-8484.

II. Analysis of Comments

III. Procedural Requirements

- A. Executive Order Nos. 12866 and 12988.
- B. Regulatory Flexibility Act.
- C. Paperwork Reduction Act.
- D. Small Business Regulatory Enforcement Fairness Act

IV. Electronic Access Addresses

I. Background

The AGAR implements the Federal Acquisition Regulation (FAR) (48 CFR Ch. 1) where further implementation is needed, and supplements the FAR when coverage is needed for subject matter not covered by the FAR. This rule amends the AGAR to establish acquisition preferences for selected biobased products; i.e., nonfood, nonfeed products made from agricultural and forestry materials and animal by-products.

The Alternative Agricultural Research and Commercialization Corporation (AARCC), a wholly-owned government corporation of the Department of Agriculture (USDA), provides financial assistance to private companies and other parties to commercialize biobased products. Section 1665 of the Food, Agriculture, Conservation, and Trade Act of 1990 (7 U.S.C. 5909), added by section 729 of the Federal Agriculture Improvement and Reform Act of 1996 (Section 1665), authorizes Federal executive agencies to establish set-asides and preferences for biobased products that have been commercialized with assistance provided by AARCC.

In a Notice of Proposed Rulemaking (62 FR 52081, October 6, 1997), USDA announced that this proposed amendment to the AGAR was available for public review and comment during a 60-day comment period. One commenter, a trade association, submitted comments on the proposed rule to USDA. We considered these comments and concluded that no changes to the proposed rule were required. In this rulemaking document, USDA is finalizing the proposed amendment to the AGAR.

We are making the following changes to the AGAR:

- (a) We are adding AGAR part 426, Other Socioeconomic Programs, with a subpart 426.70, Preference for Selected Biobased Products. This subpart establishes policy and procedures for preferences and set-asides for products developed with AARCC assistance.
- (b) Provisions 452.226-70, Preferred Products, 452.226-71, Set-aside for Mandatory Products, and 452.226-72,

Price Preference for Award, are added to AGAR part 452.

II. Analysis of Comments

We received one comment in response to the Notice of Public Rulemaking. A trade association commented that it would be appropriate to include biodiesel fuels and related biobased products on Preference Lists for biobased products established in accordance with AGAR 426.7005. To the extent that such fuels are products developed with assistance from AARCC (AARCC products), they would be eligible for inclusion on the Preference List. Biodiesel fuels that are not AARCC products are outside the scope of the rule and of Section 1665. Since establishing preferences for other than AARCC products is outside the scope of this rule, we did not make any change to the rule.

III. Procedural Requirements

A. Executive Order Nos. 12866 and 12988

A work plan was prepared for this regulation and submitted to the Office of Management and Budget pursuant to Executive Order No. 12866. The rule has been determined to be not significant for the purposes of Executive Order No. 12866. Therefore, the rule has not been reviewed by the Office of Management and Budget. This rule has been reviewed in accordance with Executive Order No. 12988, Civil Justice Reform. The rule meets the applicable standards in section 3 of Executive Order No. 12988.

B. Regulatory Flexibility Act

This rule was reviewed under the Regulatory Flexibility Act, 5 U.S.C. 601-611, which requires preparation of a regulatory flexibility analysis for any rule which is likely to have significant economic impact on a substantial number of small entities. This final rule will not have an adverse impact on a substantial number of small businesses. In Fiscal Year 1997, USDA contract purchases from small business concerns totaled \$710 million, not including commodity purchases. USDA purchases of AARCC products are unlikely to exceed \$1 million annually, even with preferences. The anticipated dollar volume of AARCC product purchases thus would be less than 0.1% of the volume of products and services USDA now purchases from small businesses. Furthermore, AARCC product purchases will be made almost entirely from small businesses.

Our analysis of the impact of AARCC preferences suggests that the AARCC
