SUPPLEMENTARY INFORMATION:

Background

On March 31, 1998 (63 FR 15490), HUD published its SuperNOFA for Housing and Community Development Programs (SuperNOFA I). On April 30, 1998, HUD published the following NOFAs: SuperNOFA for Economic Development and Empowerment Programs (SuperNOFA II) (63 FR 23876); SuperNOFA for Targeted Housing and Homeless Assistance Programs (SuperNOFA III) (63 FR 23988); and SuperNOFA for National Competition Programs (National SuperNOFA) (63 FR 23958). The purposes of this notice are to: extend the application due date for the FHIP and Housing Counseling Programs, announced in SuperNOFA I; announce the OMB approval numbers of two programs that were part of the SuperNOFAs; to correct certain technical errors that appeared in the SuperNOFAs; and to clarify certain provisions.

**Extension of FHIP and Housing
Counseling Application Due Dates**

In SuperNOFA I, HUD announced that the application due dates for the Fair Housing Initiatives Program (FHIP) and the Housing Counseling Program to be June 1, 1998. Due to delays in receipt of the application kits for the FHIP program from the printer, FHIP program applicants faced a hardship in not having kits available to complete their applications. Accordingly, to assist FHIP program applicants, HUD is extending the application due date for the FHIP and Housing Counseling programs to *June 25, 1998*.

**Announcement of OMB Approval
Numbers**

In SuperNOFA II, HUD noted that the OMB approval for the Local Lead Hazard Awareness Campaign program was pending (see 63 FR 23880). In the National SuperNOFA, HUD noted that the OMB approval number for the National Lead Hazard Awareness Campaign was pending (see 63 FR 23961). Since publication of these two SuperNOFAs, both OMB approval numbers have been received and they are, respectively: 2539-0013 and 2539-0014. Please note that in accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520), an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a valid control number.

**Federal Register Correction of Printing
Errors**

In addition to the corrections being made by this notice, the Department notes that in the printing of SuperNOFA I, two printing errors were made and these errors were corrected by the Federal Register in the **Federal Register** issue of Tuesday, May 5, 1998 (see 63 FR 24843). Those corrections pertained to the Public Housing Drug Elimination program section of SuperNOFA I (beginning at 63 FR 15586). For the convenience of the reader, the corrections published on May 5, 1998 are as follows:

1. On page 15587, in the first column, in paragraph (c)(iii) in the second line, "24,000" should be "25,000."

2. On page 15587, in the second column, in the first line "\$250,000 per unit" should read "\$250.00 per unit."

PHAs preparing PHDEP applications are required to confirm/validate the unit count with the local Field Office (Office of Public Housing) before the application is submitted.

Field Offices shall not include non-Federally Assisted Housing located in High Intensity Drug-Trafficking Areas in the unit count. Confirmation/Validation may be given if the unit count to be used for a particular program (eg., PHA-Owned Rental) is the same as the unit count reflected on a PHA's most recently approved Operating Budget (Form HUD-52564) and/or subsidy calculation (Form HUD-52723) submitted for

that program. Field Offices that have PHAs that are not required to submit either of these forms may confirm/validate the PHDEP unit count if it is the same as the most recently submitted Form HUD-51234. Note: In determining the unit count for PHA-Owned Rental Housing, a long-term vacancy unit as defined in 24 CFR 990.102 is included in the count.

4. On page 15587, first column, in Section I(C)(3)(c)(iv), "\$30 million" should read "\$35 million."

5. On page 15592, in the third column, a new paragraph (10) is added to Section I(E) to read as follows:

6. On page 15596, in the third column, a second paragraph is added to Section IV (captioned "Application Submission Requirement") to read as follows:

An applicant shall submit only one application, per housing authority, for each drug elimination program contained in this program section of the SuperNOFA. HUD inadvertently failed to include tie-breaker language in the selection criteria for the FY 97 DEG funding round. As a result, the application submitted by the Calib Foundation on behalf of Village Heights Apartments, which received the same rating as another selected grantee, was not selected. HUD will correct this oversight by funding Village Heights in the amount of \$125,000 from the FY 98 allocation. HUD is also revising this year's selection process to include tie-breaker language.

At this time, HUD is aware of only this one tie-breaker situation. However, in the event that other applicants notify HUD of similar situations and HUD can confirm that an applicant was not selected due to a tie score with a selected grantee, HUD will take additional corrective funding actions.

2. On page 15610, in the first column, under Section III, a new paragraph (C) is added to read as follows:

(C) *Tie-Breaker Situations.* If two or more applications have the same score and there are insufficient funds to fund all of them, the application(s) with the highest score for the Soundness of Approach rating factor shall be selected for funding. If a tie still remains, the application(s) with the highest score for the Capacity of the Applicant and Relevant Organizational Experience rating factor shall be selected. Further tied applications will be selected by their scores in the Need/Extent of Problem, Leveraging Resources, and Comprehensiveness and Coordination rating factors, in that order.

II. In the SuperNOFA for Economic Development and Empowerment Programs (SuperNOFA II), notice document 98-11392, beginning at 63 FR 23876, in the issue of Thursday, April 30, 1998, the following corrections are made:
