**DEPARTMENT OF DEFENSE****Office of the Secretary****Submission for OMB Review; Comment Request****ACTION:** Notice.

The Department of Defense has submitted to OMB for clearance, the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

*Title and OMB Number:* Technology Reinvestment Project (TRP) Review Project; OMB Number 0704-[to be determined].

*Type of Request:* New Collection.*Number of Respondents:* 140.*Responses per Respondent:* 1.*Annual Responses:* 140.*Average Burden per Response:* 2 hours.*Annual Burden Hours:* 280.

*Needs and Uses:* The Technology Reinvestment Project (TRP) is no longer receiving Federal funding, but new initiatives have begun to broaden and normalize the application of dual-use technologies and products. As part of its support of these initiatives, the Defense Advanced Research Projects Agency (DARPA) is sponsoring this review project to quantitatively express the status and performance of the TRP projects and to document lessons learned. This review will also provide an opportunity to present TRP products and technologies to the Services for

adoption. The information collected will be used by DARPA's Joint Dual Use Program Office (JDUPO) and the Office of the Secretary of Defense (OSD) to define and document the status of each TRP project and to derive performance metrics suitable for the Government Performance and Results Act (GPRA). TRP project successes and failures and lessons learned from the TRP will be compiled from the information gathered as well as materials for education and training. Because the TRP projects are nearing completion, this data must be collected now or it will become nearly impossible to access. If that happens, the opportunity will be lost to assess the benefits of the TRP and to learn lessons that will help to expand dual-use and embed it into the Military Services. Respondents will be the TRP consortia: for-profit businesses, defense contractors, and universities.

*Affected Public:* Business or Other For-Profit; Not-For-Profit Institutions.

*Frequency:* On occasion.*Respondent's Obligation:* Voluntary.*OMB Desk Officer:* Mr. Peter N. Weiss.

Written comments and

recommendations on the proposed information collection should be sent to Mr. Weiss at the Office of Management and Budget, Desk Officer for DoD, Room 10236, New Executive Office Building, Washington, DC 20503.

*DOD Clearance Officer:* Mr. Robert Cushing.

Written requests for copies of the information collection proposal should be sent to Mr. Cushing, WHS/DIOR, 1215 Jefferson Davis Highway, Suite 1204, Arlington, VA 22202-4302.
