#### ANR Pipeline Company; Notice of Proposed Changes in FERC Gas Tariff

June 2, 1998.

Take notice that on May 29, 1998, ANR Pipeline Company (ANR) tendered for filing, as part of its FERC Gas Tariff Second Revised Volume No. 1, the following tariff sheet proposed to become effective June 1, 1998:

Thirty-Eighth Revised Sheet No. 18

ANR states that the above-referenced tariff sheet is being filed by ANR to reflect the impact of the annual update of the Eligible MDQ that is used to calculate its currently effective Gas Supply Realignment (GSR) and Pricing Differential (PD) Reservation Surcharges, as required by and consistent with ANR's transition cost recovery mechanism set forth in its tariff. ANR advises that the Eligible MDQ has increased by approximately three percent, thereby reducing the level of the PD surcharge. The GSR surcharge, however, did not change as a result of the eligible MDQ increase.

Any person desiring to be heard or to protest this filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Section 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests

will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

[Docket No. CP98-569-000]

#### Columbia Gas Transmission Corporation; Notice of Application

June 2, 1998.

Take notice that on May 22, 1998, Columbia Gas Transmission Corporation (Columbia), 12801 Fair Lakes Parkway, Fairfax, Virginia 22030-0146, filed in Docket No. CP98-569-000, an application pursuant to Section 7(b) of the Natural Gas Act and Part 157 of the Commission's Regulations for an order permitting and approving the abandonment by sale to Norse Pipeline, LLC, (Norse) of certain certificated natural gas facilities, designated as the Project Penny facilities, located in the states of New York and Pennsylvania, as more fully set forth in the application, which is on file with the Commission and open for public inspection.

Specifically, Columbia proposes to abandon by sale the Project Penny System which includes approximately 336 miles of 4, 6, 8, 10 and 12-inch diameter pipeline, seven compressor stations, and other appurtenant facilities. Also, Columbia will sell to Norse approximately 4.53 miles of non-jurisdictional gathering lines and appurtenances. Columbia states that the Project Penny facilities will be sold for a negotiated amount of \$21,800,000.

Columbia states that as a result of Order Nos. 436 and 636, it has experienced a shift from primarily a merchant function to that of transporter. As a result, Columbia says it is taking steps to redefine its pipeline system. Columbia further states that the Project Penny facilities are not an integral part of its transmission system and that the long-term needs of its customers are best served through a divestiture of the non-core facilities.

Columbia relates that it does not propose the abandonment of service to customers other than the firm and interruptible customers currently served directly from the Project Penny facilities. Columbia relates that Norse has agreed to assume Columbia's service obligation to both.

Concurrently with this application, Norse filed a Petition for Declaratory Order Disclaiming Jurisdiction Over Gathering Facilities in Docket No. CP98-568-000. Columbia states that Norse owns no facilities under the jurisdiction of the Commission, but does own, through a Norse affiliate, discrete gathering facilities located in Chautauqua County, New York.

Columbia asserts Norse is not an affiliate of Columbia.

Any person desiring to be heard or to make any protest with reference to said application should on or before June 23, 1998, file with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214) and the regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party in any proceeding herein must file a motion to intervene in accordance with the Commission's rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application, if no motion to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that permission and approval for the proposed abandonment are required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for Columbia to appear or to be represented at the hearing.

#### Columbia Gas Transmission Corporation; Notice of Proposed Changes in FERC Gas Tariff

June 2, 1998.

Take notice that on May 29, 1998, Columbia Gas Transmission Corporation (Columbia) tendered for filing as part of its FERC Gas Tariff, Second Revised

Volume No. 1, the following tariff sheets to become effective July 1, 1998.

Original Sheet No. 99Q

Original Sheet No. 99R

Pursuant to the prior agreements of the parties following Columbia's first filing to recover Accrued-But-Not-Paid Gas Costs, this filing should be sub-docketed under the RP96-140 docket number.

Columbia states that the instant filing is being submitted pursuant to Article VII, Section C, Accrued-But-Not-Paid Gas Costs, of the "Customer Settlement" in Docket No. GP94-02, et al., approved by the Commission on June 15, 1995 (71 FERC ¶ 61,337 (1995)). The Customer Settlement became effective on November 28, 1995, when the Bankruptcy Court's November 1, 1995 order approving Columbia's Plan of Reorganization became final. Under the terms of Article VII, Section C, Columbia is entitled to recover amounts for Accrued-But-Not-Paid Gas Costs. As directed by Article VII, Section C, the tariff sheets contained herein are being filed in accordance with Section 39 of the General Terms and Conditions of the Tariff, to direct bill the Accrued-But-Not-Paid Gas Costs that have been paid subsequent to November 28, 1995.

Columbia states that the instant filing reflects Accrued-But-Not-Paid Gas Costs in the amount of \$382,636.45 plus applicable FERC interest of \$7,421.23. This is Columbia's eighth filing pursuant to Article VII, Section C, and Columbia reserves the right to make the appropriate additional filings pursuant to that provision. The allocation factors on Appendix F of the Customer Settlement were used as prescribed by Article VII, Section C.

Columbia states that copies of its filing have been mailed to all parties on the Commission's service list in Docket No. RP96-140 and RP96-140-002, and to each of Columbia's firm customers, interruptible customers, and affected state commissions.

Any person desiring to be heard or to protest this filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies

of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

[Docket No. TM98-9-23-000]

#### Eastern Shore Natural Gas Company; Notice of Proposed Changes in FERC Gas Tariff

June 2, 1998.

Take notice that on May 29, 1998, Eastern Shore Natural Gas Company (Eastern Shore) tendered for filing as part of its FERC Gas Tariff, Second Revised Volume No. 1, the following revised tariff sheets, with a proposed effective date of July 1, 1998:

First Revised Sheet No. 4

First Revised Sheet No. 5

First Revised Sheet No. 6

Eastern Shore states that it submitted this filing pursuant to the provisions of Section 31, Fuel Retention Adjustment, of the General Terms and Conditions (GT & C) of its Tariff. First Revised Sheet Nos. 4, 5, and 6, respectively, set forth Eastern Shore's Fuel Retention Percentage (FRP), as revised by this filing and proposed to be effective July 1, 1998. Eastern Shore states that Section 31 of the GT & C permits Eastern Shore to file with the Commission revised tariff sheets containing a re-determined FRP for the affected transportation rate schedules. Such FRP is designed to reimburse Eastern Shore for the cost of its Gas Required for Operations (GRO) which consists of (a) gas used for compressor fuel and (b) gas otherwise used, lost or unaccounted for, in its operations. Eastern Shore's states that its new FRP is .30% and was determined by computing the GRO quantities attributable to system wide operations for the affected transportation rate schedules using the twelve (12) month period ending April, 1998 and then dividing such result by the transportation quantities received by Eastern Shore for the corresponding twelve (12) month period.

Eastern Shore further states that Section 31 also requires Eastern Shore to determine for each month the difference, positive or negative, between (a) total GRO quantities actually
