SECURITIES AND EXCHANGE COMMISSION

Issuer Delisting; Notice of Application to Withdraw From Listing and Registration; (ARM Financial Group, Inc., Class A Convertible Common Stock, \$.01 Par Value) File No. 1-12294

June 4, 1998.

ARM Financial Group, Inc. ("Company") has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act") and Rule 12d2-2(d) promulgated thereunder, to withdraw the above specified Security ("Security") from listing and registration on the American Stock Exchange, Inc. ("Amex" or "Exchange").

The reasons cited in the application for withdrawing the Security from listing and registration include the following:

The Security has been listed for trading on the Amex and, pursuant to a Registration Statement on Form 8-A filed on April 24, 1998, on the New York Stock Exchange, Inc. ("NYSE"). Trading in the Company's Security on the NYSE commenced at the opening of business on April 28, 1998, and concurrently therewith such Security was suspended from trading on the Amex.

The Company complied with Amex Rule 18 by filing with the Exchange a certified copy of a resolution adopted by the Company's Board of Directors authorizing the withdrawal of the Security from listing and registration on the Amex and by setting forth in detail to the Exchange the reasons and facts supporting the withdrawal.

The Company's decision to withdraw its Security from listing and registration on the Amex was based on its belief that the securities of most of its competitors

trade on the NYSE and that listing its Security on such Exchange would enhance its competitive position.

By letter dated April 24, 1998, the Amex informed the Company that it had no objection to the withdrawal of the Company's Security from listing and registration on the Amex.

By reason of Section 12(b) of the Act and the rules and regulations thereunder, the Company shall continue to be obligated to file reports with the Commission and the NYSE under Section 13 of the Act.

Any interested person may, on or before June 25, 1998, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549, facts bearing upon whether the application has been made in accordance with the rules of Exchange and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.

Jonathan G. Katz,
Secretary.

June 4, 1998.

GP Strategies Corporation ("Company") has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act") and Rule 12d2-2(d) promulgated thereunder, to withdraw the above specified Security ("Security") from listing and registration on the Pacific Exchange, Inc. ("PXC" or "Exchange").

The reasons cited in the application for withdrawing the Security from listing and registration include the following:

("NYSE"). Trading in the Security commenced on the NYSE on March 27, 1998, and concurrently therewith such Security was suspended from trading on the PCX.

By letter dated April 8, 1998, the PCX informed the Company that it had no objection to the withdrawal of the Company's Security from listing and registration on the PCX.

By reason of Section 12(b) of the Act and the rules and regulations thereunder, the Company shall continue to be obligated to file reports with the Commission and the NYSE under Section 13 of the Act.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

NASD Regulation proposes to amend Article V, Section 5.2 of its By-Laws relating to the composition of the National Adjudicatory Council ("NAC"). The NAC, which is responsible for overseeing Association disciplinary proceedings, is balanced between industry and non-industry members. The current by-laws require the NASD Regulation Board of Governors to divide the United States into various geographical regions for the purpose of selecting nominees for industry positions on the NAC. The purpose of the current proposal is to differentiate between those industry positions on the NAC that are subject to such regional nomination requirements, and those that are not. The following sets forth the text of the proposed rule change. Proposed new language is italicized; proposed deletions are in brackets.
