DEPARTMENT OF LABOR

Pension and Welfare Benefits Administration

Proposed Extension of Information Collection Request Submitted for Public Comment and Recommendations; Summary Annual Report Requirement Under the Employee Retirement Income Security Act of 1974 (ERISA)

ACTION: Notice.

SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, provides the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA 95) (44 U.S.C. 3506(c)(2)(A)). This program helps to ensure that requested data can

be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently, the Pension and Welfare Benefits Administration is soliciting comments concerning the proposed extension of a currently approved collection of information, the Summary Annual Report Requirement under the Employee Retirement Income Security Act of 1974 (ERISA). A copy of the proposed information collection request can be obtained by contacting the individual listed below in the contact section of this notice.

DATES: Written comments must be submitted on or before August 17, 1998.

- evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

SUPPLEMENTARY INFORMATION:

I. Background

Section 104(b)(3) of ERISA and regulations published in 29 CFR 2520.104b-10 require, with certain exceptions, that administrators of employee benefit plans furnish participants and beneficiaries annually with material which fairly summarizes the information included in the plan's latest annual report. The regulation prescribes the format for the summary annual report (SAR), and requires that the SAR be provided within nine months after the close of the plan year.

The SAR is required to be provided to plan participants and beneficiaries to ensure that they are informed concerning the financial operation and condition of their plans. These disclosures to plan participants assist the Department in its enforcement responsibilities by providing participants with sufficient information to exercise their rights under ERISA.

II. Current Actions

The Department of Labor, Pension and Welfare Benefits Administration, intends to request that the Office of Management and Budget extend the approval of the ICR included in the SAR regulation published at 29 CFR 2520.104b-10 beyond its September 30, 1998 expiration date. The basic requirement for summarizing the annual report for participants is established by ERISA section 104(b)(3), while the regulation offers specific guidance on the statutory requirement so that participants may be adequately and timely informed concerning the financial operation and condition of their benefit plans.

Type of Review: Extension.

Agency: Pension and Welfare Benefits Administration.
