SUBMISSION OF THIRD-PARTY COMMENTS: The Secretary of Education recognizes, as reliable authorities as to the quality

of education offered by institutions or programs within their scope, accrediting agencies and State approval agencies for public postsecondary vocational education and nurse education that meet certain criteria for recognition. The purpose of this notice is to invite interested third parties to present written comments on the agencies listed in this notice that have applied for initial or continued recognition. A subsequent **Federal Register** notice will announce the meeting and invite individuals and/or groups to submit requests for oral presentation before the National Advisory Committee on Institutional Quality and Integrity (the "Advisory Committee") on the agencies being reviewed. That notice, however, does not constitute another call for written comment. This notice is the only call for written comment.

All comments received in response to this notice will be reviewed by Department staff as part of its evaluation of the agencies' compliance with the Secretary's Criteria for Recognition. In order for Department staff to give full consideration to the comments received and to address them in the staff analyses that will be presented to the Advisory Committee at its December 1998 meeting, the comments must arrive at the address listed above not later than August 3, 1998. Comments received after the deadline will be reviewed by Department staff, which will take action, as appropriate, either before or after the meeting, should the comments suggest that an accrediting agency is not acting in accordance with the Secretary's Criteria for Recognition.

All comments must related to the Secretary's Criteria for the Recognition of Accrediting Agencies. Comments pertaining to the agencies whose interim reports will be reviewed must be restricted to the concerns raised in the Secretary's letter for which the report is requested.

The Advisory Committee advises the Secretary of Education on the recognition of accrediting agencies and State approval agencies. The Advisory Committee is scheduled to meet December 7-9, 1998 in Washington, DC. All written comments in response to this notice that are received by the Department by the deadline will be considered by both the Advisory Committee and the Secretary. Comments received after the deadline, as indicated previously, will be reviewed by Department staff, which will take follow-up action, as appropriate, either before or after the meeting.
