National Advisory Council for Environmental Policy and Technology Reinvention Criteria Committee; Environmental Information and Public Access Committee; Environmental Capital Markets Committee; Public Meeting

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of public meeting.

SUMMARY: Under the Federal Advisory Committee Act, P.L. 92-463, EPA gives notice of a meeting of the following committees of the National Advisory Council for Environmental Policy and Technology (NACEPT) which provides advice and recommendations to the Administrator of EPA on a broad range of environmental policy issues.

The Reinvention Criteria Committee (RCC) has been asked to help the Agency understand how incentives can be used most successfully to inspire firms, companies, communities, and individuals to go beyond mere compliance with existing regulations and to begin the process of addressing outstanding environmental problems. In particular, the committee will focus on the following questions:

- What opportunities exist for EPA to use incentives to promote environmental stewardship in industry? In local communities? In the general public?
- How can EPA evaluate the effectiveness of incentives to encourage environmental stewardship that leads to improved environmental results? How can EPA measure the impact that incentives have on public confidence? What criteria should be used to decide whether the use of incentives is appropriate?
- How can the concept of performance ladders be used to tailor incentives most effectively?

The Environmental Information and Public Access Committee (EIPAC) will discuss issues relating to the newly created Center for Environmental and Information Statistics; workgroups will discuss data quality, public access and use, and intergovernmental relations needed for the Center.

The Environmental Capital Markets Committee (ECM) will provide stakeholder inputs on the potential utility of using Environmental Management Systems as an investment service. The ultimate goal of the committee is to identify concrete actions EPA can take, on its own or in cooperation with other Federal and State agencies, to help the financial services industry incorporate environmental information into its decision-making process.

These meetings are being held to provide the EPA with perspectives from representatives of state, local, and tribal governments, environmental, business, and financial organizations, academia, industry, and NGOs.

DATES: The RCC and EIPAC will hold a two-day public meeting at the Embassy Suites Hotel, 1250 22nd Street, NW, Washington, D.C. 20037, on Tuesday, July 7, and Wednesday, July 8, 1998 from 8:30 am to 5:00 pm.

The ECM will hold a one-day public meeting at the same location on Wednesday, July 8, 1998 from 8:00 am to 5:00 pm.

ADDRESSES: Materials or written comments may be transmitted to the committees through Gwendolyn Whitt, Designated Federal Officer, NACEPT, U.S. EPA, Office of Cooperative Environmental Management (1601F), 401 M Street, SW, Washington, D.C. 20460. There will also be an opportunity for the public to make comments directly to the committees during the first day of the meetings. Requests to make public comments must be submitted no later than June 30, 1998 to Gwendolyn Whitt, at the address above or faxed to (202) 260-6882.

FOR FURTHER INFORMATION CONTACT: Gwendolyn Whitt, Designated Federal Officer, NACEPT, at (202) 260-9484.

Dated: June 16, 1998.
