#### Notice of Availability of Final Environmental Impact Statement and Record of Decision for the Proposed Leach Facility Expansion Project, Cyprus Miami Mining Corporation, Miami, Arizona

**AGENCY:** Bureau of Land Management, Interior

**ACTION:** Notice of Availability, Final Environmental Impact Statement (FEIS) and Record of Decision (ROD).

**SUMMARY:** The Bureau of Land Management (BLM) Arizona State Office and Phoenix Field Offices (PFO), jointly with the Tonto National Forest, have prepared an Environmental Impact Statement (EIS) in response to a Mine Plan of Operations (MPO) filed by Cyprus Miami Mining Corporation (CMMC). The EIS was prepared in compliance with the Federal Land Policy and Management Act of 1976, as amended, 43 CFR 3809, and Section 102(2)(c) of the National Environmental Policy Act of 1969. The proposed action involves development of three leach pad facilities, one waste rock disposal site and associated facilities including access and utility corridors. This action will affect 350 acres administered by the BLM, PFO along with 420 acres of Tonto National Forest. Based on 57 comments received on the Draft EIS issued in April 1997, the agencies have prepared an abbreviated Final EIS. The Final EIS is to be read in conjunction with the Draft EIS. The agencies selected Alternative A—Modified Development Sequence to the Proposed Action—as the preferred alternative. The Final EIS is now available to the public as is the Record of Decision (ROD).

The ROD is issued as a separate document prepared and signed jointly by the BLM and Tonto National Forest. Filing the FEIS with EPA completes the environmental documentation process. Publication of the ROD through this NOA constitutes public notice of the decision. The BLM decision may be appealed to the Interior Board of Land

Appeals (IBLA), Office of the Secretary, in accordance with the regulations contained in 43 CFR Part 4 (see information below).

Copies of the notice of appeal and petition for a stay must also be submitted to each party named in this decision, the IBLA, and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office.

*The Standards for Obtaining a Stay.* Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:
