

recreation sites primarily for river access for boaters.

Sixth Principal Meridian

T.5N., R. 93W., sec. 6, a metes and bounds description located in the northeast portion of Lot 8, containing approximately 3 acres; and

T.6N., R. 97W., sec. 7, a metes and bounds description located in the southeast portion of Lot 21 and the northeast portion of lot 22.

Containing approximately 2 acres.

Maps depicting the actual locations of the sites are available at this office.

Leasing the land for recreation purposes is consistent with current BLM land use plans and would be in the public interest. Although the lands are withdraw for water power resources, leasing the lands for recreation purposes will not interfere with the intent of the withdrawals or future water projects.

If issued, the lease would be subject to valid existing rights and the following conditions:

1. The lease would terminate upon notice that construction of a reservoir or hydroelectric development will commence.

2. The lessee will remove, at their expense, all structures or improvements to eliminate interference with the reservoir or hydroelectric development.

FOR FURTHER INFORMATION CONTACT:

Craig Haynes, Little Snake Resource Area Office, 455 Emerson Street, Craig, Colorado, 81625-1129, (970) 826-5000.

SUPPLEMENTARY INFORMATION: Upon publication of this notice in the **Federal Register**, the lands will be segregated from all other forms of appropriation under the public land laws, including the general mining laws, except for lease only under the R&PP Act. For a period of 45 days from the date of publication of this notice, interested parties may submit comments regarding the proposed lease or classification to the Little Snake Resource Area Manager, 455 Emerson Street, Craig, CO 81625-1129.

Classification Comments: Interested parties may submit comments involving the suitability of the land for recreational purposes for river access sites. Comments on the classification are restricted to whether the land is physically suited for the proposal, whether the use will maximize the future use or uses of the land, whether the use is consistent with local planning and zoning, or if the use is consistent with State and Federal programs.

Application Comments: Interested parties may submit comments regarding the specific use proposed in the application and plan of development, whether the BLM followed proper

administrative procedures in reaching the decision, or any other factor not directly related to the suitability of the land for the proposed use. Any adverse comment will be reviewed by the State Director. In the absence of any adverse comments, the classification will become effective 60 days from the date of publication of this notice in the **Federal Register**.

Dated: June 17, 1998.

Notice of Intent To Amend the Grand Junction Resource Management Plan

AGENCY: Bureau of Land Management, Department of Interior.

ACTION: Notice of intent to amend the Grand Junction Resource Area Resource Management Plan, 1987.

SUMMARY: Pursuant to section 102 of the National Environmental Policy Act of 1969 and section 202 of the Federal Land Policy and Management Act of 1976, the Bureau of Land Management, Grand Junction Resource Area, is proposing to amend the Grand Junction Resource Management Plan, approved in January 1987. The amendment will consider a mineral withdrawal in the Unaweep Seep/West Creek area. The effect of this change will be analyzed in an environmental assessment (EA). The amendment is being developed in concert with a revision of the Unaweep Seep Natural Area Management Plan.

FOR FURTHER INFORMATION CONTACT:

Bruce Fowler, Grand Junction Resource Area, (970) 244-3036.

SUPPLEMENTARY INFORMATION: The affected area includes approximately 1440 acres of public land in Mesa County located about 6 miles northeast of Gateway, Colorado. The lands include the Unaweep Seep Research Natural Area and portions of West Creek and the North Fork of West Creek.

Mark Morse,

District Manager.
