

DEPARTMENT OF STATE**[Public Notice 2844]****Privacy Act of 1974; Altered System of Records**

Notice is hereby given that the Department of State proposes to alter an existing system of records, STATE-42, pursuant to the provisions of the Privacy Act of 1974, as amended (5 U.S.C. 552a(r)), and the Office of Management and Budget Circular No. A-130, Appendix I. The Department's report was filed with the Office of Management and Budget on June 18, 1998.

It is proposed that the system description will include revisions and/or additions to each section except the sections entitled "System name," "Retrievability" and "Systems exempted from certain provisions of the Act." A new section entitled "Security classification" has also been added. The changes to the existing system description are proposed to reflect more accurately the Bureau of Political-Military Affairs' record-keeping practices, the enlargement of the scope of its mandate, and a reorganization of its activities and operations.

Any persons interested in commenting on the altered system of records may do so by submitting comments in writing to Kenneth F. Rossman, Acting Chief, Programs and Policies Division; Office of IRM Programs and Services; Room 1239; Department of State; 2201 C Street, NW; Washington, DC 20520-1512.

This system of records will be effective 40 days from the date of publication unless we receive comments which will result in a contrary determination.

The altered system, the "Munitions Control Records, STATE-42" will read as set forth below.
