[USCG-1998-3799]

**Technical Amendments;  
Organizational Changes;  
Miscellaneous Editorial Changes and  
Conforming Amendments**

**AGENCY:** Coast Guard, DOT.

**ACTION:** Final rule.

**SUMMARY:** This rule makes editorial and technical changes throughout Title 33 of the Code of Federal Regulations (CFR) to update the title before it is recodified on July 1. It corrects addresses, updates cross-references, makes conforming amendments, and makes other technical corrections. This rule will have no substantive effect on the regulated public.

**DATES:** This rule is effective on June 30, 1998.

**ADDRESSES:** Documents as indicated in this preamble are available for inspection or copying at the Office of the Executive Secretary, Marine Safety Council (G-LRA/3406), U.S. Coast Guard Headquarters, 2100 Second Street SW., room 3406, Washington, DC 20593-0001 between 9:30 a.m. and 2 p.m., Monday through Friday, except Federal holidays. The telephone number is 202-267-1477.

**FOR FURTHER INFORMATION CONTACT:** Janet Walton, Project Manager, Standards Evaluation and Development Division (G-MSR-2), 202-267-0257.

**SUPPLEMENTARY INFORMATION:****Discussion of the Rule**

This rule makes editorial changes throughout the title, corrects addresses, updates cross-references, makes conforming amendments to geographical descriptions resulting from organizational changes, and makes other technical and editorial corrections. Some editorial changes are discussed individually in the following paragraphs. This rule does not change any substantive requirements of existing regulations.

**Section 100.50**

This rule removes § 100.50, Penalties. On April 8, 1997, the Coast Guard published a final rule, entitled Civil Money Penalties Inflation Adjustments [CGD 96-052] (62 FR 16695), which

incorporated this section into Table 1.— Civil Monetary Penalty Inflation Adjustments, in 33 CFR part 27.

**Part 130**

On March 7, 1996, the Coast Guard published a final rule finalizing its interim regulations implementing the provisions concerning financial responsibility for vessels under the Oil Pollution Act of 1990 and the Comprehensive Environmental Response, Compensation, and Liability Act, as amended (Acts) [CGD 91-005] (61 FR 9264). In addition, the Coast Guard removed obsolete provisions by removing 33 CFR parts 131, 132 and 137.

As stated in the final rule, "Part 130, the remaining preexisting vessel financial responsibility part, is being phased out and will be removed after December 27, 1997, at the close of the transition schedule established by § 138.15(b) of the interim rule and, now, this final rule." With this final rule, the Coast Guard removes part 130.

**Section 174.121**

This rule revises § 174.121 to reflect the current address for States forwarding copies of casualty or accident reports to the Commandant (G-OCC).

**Section 175.17**

In § 175.17, the exemption in paragraph (e) for recreational submersibles terminated on April 30, 1995. This rule removes the paragraph.

**Section 175.135**

In § 175.135, the provisions of paragraph (a) expired in July 1982. This rule removes the paragraph.

**Section 181.21**

The Coast Guard revises § 181.21 to reflect the current statutory citation in 46 U.S.C. 4301.

**Section 183.901**

This rule removes § 183.901 because the Outboard Marine Corporation no longer builds the "OMC Sea Drive" and the special provision is not relevant to another product.

**Regulatory Evaluation**

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866 and does not require an assessment of potential costs and benefits under section 6(a)(3) of that order. It has not been reviewed by the Office of Management and Budget under that Order. It is not significant under the regulatory policies and procedures of the Department of Transportation (DOT)

(44 FR 11040; February 26, 1979). The Coast Guard expects the economic impact of this rule to be so minimal that a full Regulatory Evaluation under paragraph 10e of the regulatory policies and procedures of DOT is unnecessary. This rule involves internal agency practices and procedures, and it will not impose any costs on the public.

**Collection of Information**

This rule contains no collection of information requirements under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*).

**Federalism**

The Coast Guard has analyzed this rule under the principles and criteria contained in Executive Order 12612 and has determined that this rule does not have sufficient implications for federalism to warrant the preparation of a Federalism Assessment.

**Environment**

The Coast Guard considered the environmental impact of this rule and concluded that, under figure 2-1, paragraphs (34) (a) and (b) of Commandant Instruction M16475.1C, this rule is categorically excluded from further environmental documentation. This exclusion is in accordance with paragraphs (34) (a) and (b), concerning regulations that are editorial or procedural and concerning internal agency functions or organization. A Categorical Exclusion Determination is available in the docket for inspection or copying where indicated under **ADDRESSES**.

**Safety Zone: Independence Day Celebration Fireworks, Wards Island, East River, NY**

**AGENCY:** Coast Guard, DOT.

**ACTION:** Temporary final rule.

**SUMMARY:** The Coast Guard is establishing a temporary safety zone for the Independence Day Celebration fireworks program located on Wards Island, East River, New York. This action is necessary to provide for the safety of life on navigable waters during the event. This action is intended to restrict vessel traffic in a portion of the East River, New York.

**DATES:** This rule is effective from 8:45 p.m. until 10:15 p.m. on Wednesday, July 1, 1998.

**ADDRESSES:** Documents as indicated in this preamble are available for inspection or copying at Coast Guard Activities New York, 212 Coast Guard Drive, room 205, Staten Island, New York 10305, between 8 a.m. and 3 p.m., Monday through Friday, except Federal holidays. The telephone number is (718) 354-4195.

**FOR FURTHER INFORMATION CONTACT:** Lieutenant (Junior Grade) A. Kenneally, Waterways Oversight Branch, Coast Guard Activities New York, at (718) 354-4195.

**SUPPLEMENTARY INFORMATION:****Regulatory History**

Pursuant to 5 U.S.C. 553, a notice of proposed rulemaking (NPRM) was not published for this regulation. Good cause exists for not publishing an NPRM and for making this regulation effective less than 30 days after **Federal Register** publication. Due to the fact that plans for this event were recently finalized, there was insufficient time to draft and publish an NPRM. Any delay encountered in this regulation's effective date would be contrary to public interest since immediate action is needed to close a portion of the waterway and protect the maritime public from the hazards associated with this fireworks display, which is intended for public entertainment.

**Background and Purpose**

The New York Power Authority has submitted an Application for Approval of Marine Event to hold a fireworks program on the waters of the East River, at Wards Island, New York. This regulation establishes a safety zone in all waters of the East River, within a 150 yard radius of the land shoot at approximate position 40°46'55.5"N 073°55'33"W (NAD 1983), approximately 200 yards northeast of the Triboro Bridge. The safety zone is in effect from 8:30 p.m. until 10 p.m. on Wednesday, July 1, 1998. The safety zone prevents vessels from transiting this portion of the East River, and it is needed to protect boaters from the hazards associated with fireworks launched from shore in the area.

**Regulatory Evaluation**

This final rule is not a significant regulatory action under section 3(f) of Executive Order 12866 and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. It has not been reviewed by the Office of Management and Budget under that Order. It is not significant under the regulatory policies and procedures of the Department of Transportation (DOT) (44 FR 11040, February 26, 1979). The
