EFFECTIVE DATE: June 30, 1998.

FOR FURTHER INFORMATION CONTACT: Mr. Paul Scoggins, Air Planning Section (6PD-L), EPA Region 6, 1445 Ross Avenue, Dallas, Texas 75202-2733, telephone (214)665-7354 or via e-mail at scoggins.paul@epamail.epa.gov.

SUPPLEMENTARY INFORMATION: In the current 40 CFR part 52, an error exists in having two § 52.970 (c)(55) paragraphs. This action corrects this duplication.

Administrative Procedure Act

Under Executive Order 12866, this action is not a "significant regulatory action" and is therefore not subject to review by the Office of Management and Budget. In addition, this action does not impose annual cost of \$100 million or more, will not significantly or uniquely affect small governments, and is not a significant federal intergovernmental mandate. The Agency thus has no obligations under sections 202, 203, 204 and 205 of the Unfunded Mandates Reform Act. Moreover, since this action is not subject to notice-and-comment requirements under the Administrative Procedure Act or any other statute, it is not subject to sections 603 or 604 of the Regulatory Flexibility Act. The final rule is not subject to Executive Order 13045, entitled "Protection of Children from Environmental Health Risks and Safety Risks," because it is not an "economically significant" action under Executive Order 12866.

BILLING CODE 6820-34-M

FEDERAL COMMUNICATIONS COMMISSION

47 CFR Part 61

[DA 98-914]

Electronic Tariff Filing System

AGENCY: Federal Communications Commission.

ACTION: Final rule.

SUMMARY: The Commission adopted a Report and Order which requires that incumbent local exchange carriers (LECs) use the Common Carrier Bureau's (Bureau) Electronic Tariff Filing System (ETFS) to officially file tariffs and associated documents. The Order amends the Commission's tariff filing rules to accommodate mandatory electronic filing. This Order applies the mandatory electronic filing requirement to incumbent LECs only. However, ETFS also enables interested parties to access and download these documents over the Internet, and to file petitions to reject, or suspend and investigate tariff filings electronically.

EFFECTIVE DATE: July 1, 1998.

FOR FURTHER INFORMATION CONTACT:

Todd R. Mitchell or Geneva S. Butler, Competitive Pricing Division, Common Carrier Bureau, (202) 418-1520.

SUPPLEMENTARY INFORMATION: This is a summary of the Commission's Order adopted on May 28, 1998, and released on May 28, 1998. The full text of the Order is available for inspection and copying during normal business hours in the Commission's Public Reference Room, Room 239, 1919 M Street N.W., Washington, DC. The complete text of this decision may be purchased from the Commission's duplication contractor, International Transcription Services Inc. (ITS), (202) 857 3800, 1231 20th Street, N.W., Washington, DC 20036.

1. The amended rules also provide that the official filing date is the date on which the document is received by ETFS. The date of receipt shall be determined by the time of the end of the

electronic transmission with 5:30 pm Eastern Time as the cut-off time for filings. Thus, if the transmission of a filing ends after 5:30 pm Eastern Time on a business day, the official filing date will be the next business day. If the time of termination of the filing is on a day that is not a business day, such as, a weekend or holiday, the official filing date will be the next business day. ETFS automatically establishes the date of filing in accordance with these requirements. Parties filing electronically must request and receive a receipt at the end of each filing session in order to complete the transmission. The receipt, which will be received at the filer's computer, will provide details of the filing session, including the official receipt date and time, and will serve as the filing party's official documentation that the filing was received by the Commission. The Commission requires that all incumbent LECs file all of their tariff base documents electronically within the first five business days of July, 1998. Nonmajor rules, such as implementation of electronic tariff filing, and rules implementing the Telecommunications Act of 1996 can go into effect as determined by the agency as long as Contract With America Advancement Act (CWAAA) and required abstracts have been filed with Congress. ETFS has met these requirements, therefore the waiting period for **Federal Register** printing is not required.

2. Access to ETFS is via the Common Carrier Bureau's web page: <<http://www.fcc.gov/ccb>>, for the incumbent LECs and other interested parties. Access to the web page is through an Internet Service Provider (ISP) with software that includes a browser program, preferably Netscape 3.0 or later versions. To view documents in ETFS effectively, a user must have Adobe Acrobat plug-in for browser software. An ETFS user's manual is available for viewing or downloading, as well as, in paper form from the Commission's commercial copy contractor, ITS. A computer terminal is available in the Commission's Public Reference Room, Room 239, 1919 M Street NW, Washington, DC, for accessing ETFS. The Commission has established an e-mail address (etfs@fcc.gov) and an information line (202) 418-7700, for questions and comments. Bureau, 202-418-1520.

The Commission determined, *inter alia*, that it would establish a program of mandatory electronic filing of tariffs and associated documents by incumbent local exchange carriers (LECs). The Commission delegated authority to the Chief, Common Carrier Bureau (Bureau), to establish this program. This Order amends rules to accommodate the Commission's Electronic Tariff Filing System (ETFS). Incumbent LECs must use the Bureau's ETFS to officially file tariffs and associated documents beginning July 1, 1998. Other parties may also file documents using ETFS, such as petitions to reject, or suspend and investigate tariff filings beginning July 1, 1998. Obligation to respond: Mandatory.
