DEPARTMENT OF LABOR

Bureau of Labor Statistics

Proposed Collection; Comment Request

ACTION: Notice.

SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) [44 U.S.C. 3506(c)(2)(A)]. This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently, the Bureau of Labor Statistics (BLS) is soliciting comments concerning the proposed revision of the "BLS Occupational Safety and Health Statistics Federal/State Cooperative Agreement (Application Package)."

A copy of the proposed information collection request (ICR) can be obtained by contacting the individual listed below in the addresses section of this notice.

DATES: Written comments must be submitted to the office listed in the addresses section below on or before September 4, 1998. The Bureau of Labor

Statistics is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

ADDRESSES: Send comments to Karin G. Kurz, BLS Clearance Officer, Division of Management Systems, Bureau of Labor Statistics, Room 3255, 2 Massachusetts Avenue, NE, Washington, D.C. 20212. Ms. Kurz can be reached on (202) 606-7628 (this is not a toll free number).

SUPPLEMENTARY INFORMATION:

I. Background

The Secretary of Labor has delegated to the BLS the authority to collect, compile and analyze statistical data on work-related injuries and illnesses. The Cooperative Agreement is designed to allow the BLS to ensure conformance with program objectives. The BLS has full authority over the financial operations of the statistical program. The BLS requires financial reporting that will produce the information that is needed to monitor the financial activities of the BLS Occupational Safety and Health Statistics grantees.

II. Current Actions

Continued collection of grantee financial information is necessary to maintain an effective program of collection, compilation and analysis of occupational safety and health statistics, as authorized by the Occupational Safety and Health Act of 1970 (Pub. L. 91-596). The burden estimates are based on actual experience of grantees competing the forms. Public comments on the accuracy of the burden estimates, as well as suggestions for reducing the burden, are encouraged.

Type of Review: Revision of a currently approved collection.

Agency: Bureau of Labor Statistics.

Title: BLS Occupational Safety and Health Statistics Federal/State

Cooperative Agreement (Application Package).

OMB Number: 1220-0149.

Frequency: Annually and Quarterly.

Affected Public: State governments.

Number of Respondents: 57

Estimated Time Per Respondent: 6 Hours.

Total Burden Hours: 342 Hours.

Total Burden Cost (capital/startup): \$0.

SUPPLEMENTARY INFORMATION:

I. Background

The Current Population Survey (CPS) has been the principal source of the official Government Statistics on employment and unemployment for over 50 years. Labor force data are collected through the CPS under authority of Title 29, United States Code, Sections 1 and 2. Since the mid-1980's, there has been a growing belief among labor market researchers that employers require greater flexibility in their use of labor. As a result, many workers find themselves in "contingent jobs" that are structured to last for only a limited duration or in alternative employment arrangements such as independent contracting, on-call work, and working through temporary help agencies or contract companies. It is feared that workers with such employment may have little job security, low pay, and no fringe benefits. This CPS supplement would provide objective information about "contingent work."

II. Current Actions

The contingent work supplement provides information on the number and characteristics of workers in contingent jobs, that is, jobs which are structured to last only a limited period

of time. The survey also provides information about workers in several alternative employment arrangements, including those working as independent contractors and on-call workers, as well as those working through temporary help agencies or contract companies.

Type of Review: Reinstatement, with change, of previously approved collection for which approval has expired.

Agency: Bureau of Labor Statistics.
