Ormond Beach Power Generation, L.L.C.; Notice of Issuance of Order

June 30, 1998.

Ormond Beach Power Generation, L.L.C. (Ormond Beach) filed an application for Commission authorization for market-based rates for the wholesale sale of electric power from an electric generating facility it is acquiring in Oxnard, California, and for certain waivers and authorizations. In particular, Ormond Beach requested that the Commission grant blanket approval under 18 CFR Part 34 of all future issuances of securities and assumptions of liabilities by Ormond Beach. On June 24, 1998, the Commission issued an Order Accepting For Filing Tariff For Market-Based Power Sales Rates (Order), in the above-docketed proceeding.

The Commission's June 24, 1998 Order granted the request for blanket approval under Part 34, subject to the conditions found in Ordering Paragraphs (D), (E), and (G):

(D) Within 30 days of the date of this order, any person desiring to be heard or to protest the Commission's blanket approval of issuances of securities or assumptions of liabilities by Ormond Beach should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure, 18 CFR 385.211 and 385.214.

(E) Absent a request to be heard within the period set forth in Ordering Paragraph (D) above, Ormond Beach is hereby authorized to issue securities and assume obligations and liabilities as guarantor, indorser, surety or otherwise

in respect of any security of another person; provided that such issue or assumption is for some lawful object within the corporate purposes of Ormond Beach, compatible with the public interest, and reasonably necessary or appropriate for such purposes.

(G) The Commission reserves the right to modify this order to require a further showing that neither public nor private interests will be adversely affected by continued Commission approval of Ormond Beach's issuances of securities or assumptions of liabilities. . . .

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is July 24, 1998.

Copies of the full text of the Order are available from the Commission's Public Reference Branch, 888 First Street, NE, Washington, DC 20426.

Pacific Gas and Electric Company; Notice Extending Time To File Responses

June 30, 1998.

On May 19, 1998, a notice was issued extending until June 15, 1998 the time to file comments on Pacific Gas and Electric Company's (PG&E) March 31, 1998 submittal in this proceeding intended to implement fishery recommendations for the Potter Valley Project No. 77 that were jointly developed by PG&E with federal and state resource agencies (63 FR 28502). On June 24, 1998, PG&E requested an extension of time until July 10, 1998 to respond to the motions to intervene and protests of the Sonoma County Water Agency and the Round Valley Indian Tribes. An answer may not be made to a protest unless otherwise ordered by the decisional authority (18 CFR 385.213(a)(2)). period for such responses is extended to July 10, 1998.
