Florida Gas Transmission Company; Notice of Request Under Blanket Authorization

July 2, 1998.

Take notice that on June 29, 1998, Florida Gas Transmission Company (FGT), 1400 Smith Street, Suite 3997, P.O. Box 1188, Houston, Texas 77251-1188, filed in Docket No. CP98-641-000 a request pursuant to §§ 157.205 and 157.212 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205, 157.212) for authorization to construct, own, and operate a new delivery point, located in

Manatee County, Florida to deliver natural gas for TECO Peoples Gas Inc. (TECO), under FGT's blanket certificate issued in Docket No. CP82-553-000, pursuant to Section 7(c) of the Natural Gas Act, all as more fully set forth in the request that is on file with the Commission and open to public inspection.

FGT proposes to construct, own, and operate a tap, valve, electronic flow measurement (EFM) equipment, and approximately 100 feet of 6-inch connecting pipeline for TECO to deliver to a new meter station (PGS-Lakewood Ranch), located in Manatee County, Florida, at mile post 73.56 off FGT's 8-inch Sarasota Lateral.

FGT states that TECO will construct, own, and operate this new meter station with FGT constructing the tap, EFM, and connecting line. FGT declares that the proposed delivery capacity at this new point will be 32,500 MMBtu per day at line pressure. FGT asserts that TECO will reimburse FGT for all costs directly and indirectly incurred by FGT for the construction of the new delivery point. FGT states that the estimated total cost of the proposed construction is \$74,500, inclusive of tax gross-up.

FGT Gas declares that the proposed gas deliveries at the subject point will be from currently existing certificated levels that will be released from existing service agreements and, therefore, will not have an impact on FGT's daily, annual, or peak day deliveries. FGT states that TECO will acquire relinquished volumes from existing customers to serve the new PGS-Lakewood Ranch meter station.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to § 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.

Acting Secretary.
