

Tuscarora states that it is submitting these minor tariff revisions to comply with its current understanding of the requirements of the Commission's regulations. The revised tariff sheets reflect (i) the addition of the requirement in Section 250.16(b) that Tuscarora orally respond within 48 hours to complaints from shippers or potential shippers, and (ii) the elimination of certain categories of information no longer required from an affiliated shipper for a valid service request pursuant to Order No. 566.

Tuscarora states that copies of its filing were mailed to all affected customers and the state commissions of Nevada, Oregon and California.

Any person desiring to be heard or to protest this filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed as provided in Section 154.210 of the Commission's regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

Williston Basin Interstate Pipeline Company; Notice of Refund Report

July 2, 1998.

Take notice that on June 26, 1997, Williston Basin Interstate Pipeline Company (Williston Basin), tendered for filing with the Commission its Refund Report for 1997 Gas Research Institute (GRI) overcollections in compliance with the Commission's "Order Approving Refund Methodology for 1994 Overcollections" issued February 22, 1995 in GRI's Docket No. RP95-124-000.

Williston Basin states that on May 20, 1998, GRI filed with the Commission its "Revised Report on Refunds" in Docket No. RP98-217-001 in which it reported \$160,236.00 was refunded to Williston Basin for 1997 GRI overcollections.

In addition, Williston Basin states that on June 11, 1998, refunds totaling \$160,236.00 were sent to its applicable firm transportation shippers. Such refunds were based on the proportion of each applicable firm shipper's demand and commodity GRI charges paid during the 1997 calendar year to the total applicable firm shippers' GRI charges paid during the 1997 calendar year.

Any person desiring to be heard or to protest this filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed on or before July 9, 1998. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

East Syracuse Generating Company, L.P., et al. Electric Rate and Corporate Regulation Filings

June 29, 1998.

Take notice that the following filings have been made with the Commission:

1. East Syracuse Generating Company, L.P.

[Docket No. EG98-88-000]

Take notice that on June 16, 1998, East Syracuse Generating Company, L.P. (Applicant), with its principal office at 7500 Old Georgetown Road, 13th Floor, Bethesda, Maryland 20814-6161, filed with the Federal Energy Regulatory Commission an application for determination of exempt wholesale generator status pursuant to Part 365 of the Commission's Regulations.

Applicant states that it will be engaged in owning and operating the East Syracuse project consisting of a 101 megawatt cogeneration facility located in East Syracuse, New York (the Eligible Facility) and selling electric energy exclusively at wholesale. Electric energy produced by the Eligible Facility is sold exclusively at wholesale.

Comment date: July 17, 1998, in accordance with Standard Paragraph E at the end of this notice. The Commission will limit its consideration of comments to those that concern the adequacy or accuracy of the application.

2. Reliable Energy, Inc.

[Docket No. ER98-3261-000]

Take notice that on June 24, 1998, Reliable Energy, Inc., amended its Petition dated June 5, 1998, for acceptance of Reliable Energy, Inc.'s, FERC Rate Schedule No. 1; the granting of certain blanket approvals, including the authority to sell electricity at market based rates; and the waiver of certain Commission Regulations.

Reliable Energy, Inc., intends to engage in wholesale electric power and energy purchases and sales as a marketer. Reliable Energy is not in the business of generating or transmitting electric power. Reliable Energy is a New Jersey corporation. It will act as power marketer and will also engage in other non-jurisdictional activities to facilitate efficient trade in the bulk power market such as power brokering, load aggregation, metering, energy management and consulting.
