Food Stamp Program: Quality Control Provisions of the Mickey Leland Childhood Hunger Relief Act

AGENCY: Food and Nutrition Service, USDA.

ACTION: Final rule; announcement of effective and implementation dates.

SUMMARY: This action announces the effective and implementation dates for certain provisions in final regulations published June 2, 1997, Food Stamp Program: Quality Control Provisions of the Mickey Leland Childhood Hunger Relief Act. The affected provisions contain information collections relating to Quality Control system arbitration and good cause processes. These information collections needed Office of Management and Budget (OMB) approval, in accordance with the Paperwork Reduction Act of 1995, prior to their implementation. A notice published in the **Federal Register** on December 19, 1997, solicited comment on the proposed information collections. OMB approved the information collections through June 30, 2001.

DATES: The information collections at 7 CFR 275.3(c)(4) are effective August 13, 1998 and will be implemented October 1, 1998, for the fiscal year 1999 Quality Control reporting period. Information collections at 7 CFR 275.23(e)(5) and at 7 CFR 275.23(e)(7) will be implemented August 13, 1998. Information collections at 7 CFR 275.23(e)(9) will be implemented October 1, 1998, for the fiscal year 1999 Quality Control reporting period.

FOR FURTHER INFORMATION CONTACT: Retha Oliver, (703) 305-2474.

SUPPLEMENTARY INFORMATION: The final rule, Food Stamp Program: Quality Control Provisions of the Mickey Leland Childhood Hunger Relief Act ("Leland Rule") published June 2, 1997 (62 FR 29652), contains information collections that are subject to review by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3507). These information collections pertain to the Quality Control (QC) burden for the arbitration and good cause processes. The implementation dates in this notice affect the following provisions in the Leland Rule: 7 CFR 275.3(c)(4) [Arbitration]; 7 CFR 275.23(e)(5) [State agencies' liabilities for payment error—Fiscal Year 1992 and beyond]; 7 CFR 275.23(e)(7) [Good Cause]; and 7 CFR 275.23(e)(9) [Timeframes for announcing State agency error rates, for notifying States of their error rates and liabilities, and for completing all cases].

During final clearance of the Leland Rule, OMB determined that the reporting and recordkeeping burdens associated with the arbitration and good cause processes needed to be submitted for OMB approval through an approval process specifically designed for paperwork burdens. In accordance with the Paperwork Reduction Act of 1995, a December 19, 1997, notice (62 FR 66593) solicited public comment on the reporting and recordkeeping burden for the QC sampling plan, arbitration and good cause. There was one comment on the notice. This comment disagreed with the estimated burdens for the sampling plan and the arbitration process, stating that the State it represented spent more time than allotted in the notice for these two activities. The Department did not revise these estimates. These estimates are averages for States and the Department believes the estimates in the notice more accurately reflect the amount of time that States, *on average*, expend on these activities. The reporting and recordkeeping burden associated with the Food Stamp Program QC System sampling plan, arbitration and good cause is approved through June 30, 2001 under OMB No. 0584-0303. This action establishes effective and implementation dates for the specified provisions in the Leland rule.

Dated: July 6, 1998.

George A. Braley,
Acting Administrator, Food and Nutrition Service.

SUPPLEMENTARY INFORMATION:

Background

The Northeast Dairy Compact Commission (the "Commission") was established under authority of the Northeast Interstate Dairy Compact ("Compact"). The Compact was enacted into law by each of the six participating New England states as follows: Connecticut-Pub. L. 93-320; Maine-Pub.

L. 89-437, as amended, Pub. L. 93-274; Massachusetts-Pub. L. 93-370; New Hampshire-Pub. L. 93-336; Rhode Island-Pub. L. 93-106; Vermont-Pub. L. 89-95, as amended, 93-57. In accordance with Article I, Section 10 of the United States Constitution, Congress consented to the Compact in Pub. L. 104-127 (FAIR ACT), Section 147, codified at 7 U.S.C. 7256. Subsequently, the United States Secretary of Agriculture, pursuant to 7 U.S.C. 7256(1), authorized implementation of the Compact.

This interim rule establishes the Compact Commission's regulations for the conduct of rulemaking proceedings, including the producer referendum balloting, as authorized under sections 11, 12, and 13 of the Compact. These rulemaking procedures apply only to the issuance, or amendment, of a compact over-order price regulation, or a commission marketing order, including any provision with respect to milk supply, and any process initiated by the Compact Commission in which the subjects and issues involved relate to such price regulation, commission marketing order, or provision with respect to milk supply or, proposed amendment thereto. The producer referendum is conducted in order to ascertain whether milk producers approve the issuance or amendment of such regulations or marketing order, as required by section 13 of the Compact.

(b) Upon the request of a state delegation—A state delegation may request the initiation of a rulemaking proceeding by presenting its request to the Committee on Regulations and Rulemaking. The Committee on Regulations and Rulemaking shall make a recommendation to the Compact Commission, through the Chair, as to whether the state delegation's request should be pursued; provided that the state delegation may in any event place its request before the Compact Commission for its consideration.

(c) Upon petition of any person or organization—In its sole discretion, the Compact Commission may commence a rulemaking proceeding upon petition of any person. Such persons or organizations may include individual milk producers or handlers, any organization of milk producers or handlers, general farm organizations, consumer or public interest groups, and local, state or federal officials.

The Chair shall then convene the Compact Commission to determine whether the

Commission desires to initiate a rulemaking proceeding based upon the petition.

(3) If the Committee on Regulations and Rulemaking determines the proposal will not tend to promote the purposes of the Compact, the Committee, through the Chair, shall promptly notify the petitioner of its decision. Notice of denial shall include a brief statement of the grounds for the denial. Upon the request of the petitioner, and in the discretion of the Chair, the Commission may review the denial of a petition by the Committee on Regulations and Rulemaking.

(1) By publication in the **Federal Register**;

(2) By publication in the official register of each participating state and as otherwise required by the laws of the states. If the laws of a particular state do not require publication of notice in a newspaper of general circulation within

that state, the Compact Commission shall provide for such publication; and

(3) By correspondence to interested persons in accordance with a list of such persons compiled by the Compact Commission. Any interested person may have his or her name added to the list by making a written request to the Compact Commission.

(e) Notice may also be provided by:

(1) Forwarding copies of the notice to the governors of such other states as the Chair determines should be notified; or

(2) At the discretion of the Compact Commission, by issuance of a press release containing the contents of the notice or a summary of the contents of the notice to those newspapers in the area proposed to be subjected to regulation as will reasonably tend to bring the notice to the attention of interested persons; or

(3) Such other notice as directed by the Compact Commission.

§ 1361.4 Submission of written comment and exhibits independent of the hearing.

Any person may submit to the Compact Commission written comment and exhibits independent of the hearing. Comment and exhibits may be submitted at any time until the closing date of the post-hearing comment period established under § 1361.7. The comment and exhibits shall be made part of the record of the rulemaking proceeding if they identify the author's name, address and occupation and if they include a sworn, notarized statement indicating that the comment is presented based upon the author's personal knowledge or belief.

§ 1361.5 Conduct of the hearing.

(a) Presiding Officer—The Chair of the Commission shall be the presiding officer, or in his or her absence, the Vice-Chair. In the absence of either officer, the Compact Commission shall elect a presiding officer from those members present at the hearing or retain a qualified member of the public to serve as presiding officer.

(b) Authority of the Presiding Officer—The presiding officer shall have the authority to:

- (1) Regulate the course of the hearing;
- (2) Administer oaths and affirmations;
- (3) Rule upon issues of evidence and procedure and receive affidavits; and
- (4) Present questions to the Compact Commission for its determination.

(c) Recording of Notice—At the opening of the hearing, the presiding officer shall certify for the record the provision of notice under § 1361.3.

(d) Transcript—The Secretary of the Compact Commission shall cause a complete transcript to be kept of the

hearing proceeding. The Secretary shall certify a true copy of the record of all testimony and exhibits entered into evidence.

(e) Appearance; Right to Appear—Any person shall be given an opportunity to appear, either in person or through a representative, subject to reasonable procedures (e.g., regarding time allowed for testimony) established by the presiding officer. Witnesses shall provide their names, addresses and occupations for the record before proceeding to testify. A person acting as representative on behalf of another shall so identify himself or herself, provide his or her name, address and occupation for the record, and shall provide any other information as required by the presiding officer.

(f) Testimony—Persons shall be sworn or make affirmation before testifying. Any member of the Compact Commission or designated staff may ask questions of a person giving testimony.

(g) Evidence—To the degree possible, evidence shall be presented in a form consistent with the provisions of section 9(e) of the Compact. Evidence which is relevant and material to the subject matter of the hearing and is of a type commonly relied upon by reasonably prudent persons shall be admissible. Evidence that is irrelevant, immaterial or unduly repetitious shall be excluded. As possible, the relevancy of evidence shall be determined by reference to the provisions of section 9(e) of the Compact.

(1) Exclusion of evidence; objections and offers of proof—The presiding officer may act to exclude evidence on his or her own or upon a request by any Compact Commission member. The person testifying may object to a ruling to exclude evidence. The person shall state the reasons for the objection, and provide an offer of proof, consisting of a statement of the substance of the testimony or that which is expected to be shown by the answer; provided that the presiding officer may limit the length of time allowed for the offer of proof. The record shall reflect the objection, the stated basis for the objection and the offer of proof. The presiding officer shall either overrule the objection, and exclude the evidence from the record, or stay a ruling on the objection to permit action by the Compact Commission at a future time. If the Compact Commission, upon consideration of the objection and offer of proof, permits the evidence, it shall reopen the record and allow the testimony to be entered. Only evidence so received by proper objection and offer of proof may be the subject of future consideration. The person

testifying shall be notified within three days of the Compact Commission's ruling on the objection.

(2) Exhibits, Documentary and Real Evidence—All written statements, charts, tabulations or similar data offered in evidence at the hearing shall be made part of the record upon identification by the witness and upon satisfactory showing of its authenticity, relevance and materiality. At the discretion of the presiding officer, any part of an exhibit that is irrelevant or immaterial may be excluded and the remainder admitted.

(3) Cost Conclusions—conclusory statements regarding costs shall be admissible only if supported by actual cost data based on actual operations of producers, handlers or retailers, as appropriate. Projections or estimates of costs shall be considered only where the actual costs or other data upon which such projections or estimates are provided as part of the analysis.

(4) Commission Evidence—The Compact Commission may introduce the results and data of any inquiry or investigation conducted by the Commission, or any other evidence it deems appropriate. The Commission may also designate as evidence all or part of the record of prior hearings before the Commission.

(5) Official notice—The Compact Commission may take official notice of such matters as are judicially noticed by the courts of the United States and any other matter of technical, scientific or commercial fact of established character. Matters taken by official notice shall be so designated in the record. Interested persons shall be given adequate notice of this action, at the hearing or afterward, and opportunity to demonstrate that the facts are inaccurate or were erroneously noticed.

§ 1361.6 Availability of the transcript.

(a) Availability—A copy of the hearing transcript shall be available for review at the Compact Commission place of business during its official business hours, within 48 hours of the completion of the hearing, unless otherwise specified by the presiding officer at the close of the hearing.

(b) Copies—A copy of the transcript may be obtained upon written request and payment of reasonable cost per page.

§ 1361.7 Additional comment and proposed findings by interested persons.

At the conclusion of the hearing, the presiding officer shall announce that persons who have participated in the hearing may submit comment and proposed findings of fact. The comment

or findings, or both, shall be received within fourteen calendar days of the conclusion of the hearing, unless otherwise specified in the published notice of proposed rulemaking. Any proposed findings shall be presented in a form consistent with the finding requirements of § 1361.8, and shall be based solely on evidence included in the record. Page numbers of the transcript, where supporting evidence appears, shall be cited whenever possible.

§ 1361.8 Commission deliberation and decision; proposed regulation; proposed findings.

(a) Commission deliberation and decision—The Compact Commission shall convene as a whole as soon as is practicable after the close of the post-hearing comment period. In accordance with the requirements of section 4 of the Compact, the Commission shall vote to decide whether to propose for referendum a Compact over-order price regulation and provision with regard to milk supply, or amendment thereof. A majority of the individual Commission members, with at least one member from each delegation, shall constitute a quorum for this deliberative meeting of the Compact Commission.

The regulation shall be set forth in sufficient detail so as to provide sufficient notice of its requirements to those subject to the regulation.

(c) Proposed findings—If a proposed regulation or amendment is approved, the Compact Commission shall prepare proposed findings of fact, in a form consistent with the requirements of section 12 of the Compact, with respect to:

(1) Whether the public interest will be served by the establishment of minimum milk prices to dairy farmers;

(2) What level of prices will assure that producers receive a price sufficient to cover their costs of production and will elicit an adequate supply of milk for the inhabitants of the regulated area and for manufacturing purposes;

(3) Whether the major provisions of the regulation or amendment, other than those establishing the Compact over-order price, are in the public interest and are reasonably designed to achieve the purposes of the regulation or amendment; and

(4) The need for a producer referendum in accordance with part 1371.

§ 1361.9 Effective date of regulation.

A Compact over-order price or amendment approved by referendum under part 1371 shall become effective in accordance with a schedule for administration established between the Compact Commission and the applicable Federal Market Order Administrator. Notice of the substance of the approved regulation or amendment, including the effective date, shall be given in accordance with § 1361.3. In addition, the Compact Commission shall ensure actual notice by certified mail, return receipt requested, to all milk processors who will be subject to the terms of the regulation on the effective date. The Compact Commission may provide notice to any other interested persons.

§ 1361.10 Handler's right to petition for administrative review; Judicial review.

(a) Petition—In accordance with section 16(b) of the Compact, and pursuant to the provisions of part 1381, any handler subject to an order of the Compact Commission establishing a Compact over-order price regulation may petition the Commission for hearing and review.

(b) Judicial Review—In accordance with the provisions of section 16(c) of the Compact, such handler shall have a right to judicial review of the Compact Commission's ruling with respect to the handler's petition for review.

§ 1361.11 Ex Parte Communications.

(a) Following notice of a hearing, pursuant to § 1361.3, and prior to the conclusion of a producer referendum, or the final decision of the Commission, whichever is later, no Compact Commission member or Commission staff person shall discuss ex parte the merits of the rulemaking proceeding with any person having an interest in the proceeding or with any representative of such person.

(b) Following notice of a hearing, pursuant to § 1361.3, and prior to the conclusion of a producer referendum, or the final decision of the Commission, whichever is later, Compact Commission members shall not discuss among themselves the merits of the rulemaking proceeding except as part of the formal meeting of the Commission convened for this purpose under § 1361.8.

(c) A Compact Commission member or Commission staff person who receives a written or oral communication prohibited by this

section shall disclose the substance of such communication on the record. As necessary and appropriate, the Commission may act accordingly to nullify the effect of the prohibited communication.

(d) This section shall not be construed to apply to requests for status reports or requests on other procedural matters.

Qualified cooperative means a cooperative association of producers, qualified under the provisions of the Act of Congress of February 18, 1922, as amended, known as the Capper-Volstead Act, bona fide engaged in marketing milk, or in rendering services for or advancing the interests of producers of milk, but shall not include any cooperative which has been formed to act as a common marketing agency for both cooperatives and individual producers.

Representative period means that period of time designated by the Commission for the purpose of determining who is a producer eligible to participate in a producer referendum.

§ 1371.2 Purpose.

Prior to issuing, or amending, any regulation establishing a Compact over-order price regulation, including any provision with respect to milk supply, the Compact Commission shall conduct a producer referendum for the purpose of ascertaining whether the issuance or amendment of such regulation is approved by producers.

§ 1371.3 Referendum procedure.

The Commission shall certify the referendum procedure at the time it approves a final regulation. The referendum procedure shall include:

- (a) A designated representative period for determining eligible producers;
- (b) The date by which the ballots will be distributed to eligible producers and qualified cooperatives;

(b) The ballot shall describe the terms and conditions of the referendum and be accompanied by an official copy of the proposed regulation or amendment. The ballot shall provide notice that a producer may register his or her approval or disapproval with the Compact Commission either directly or through his or her cooperative. The ballot shall indicate that any qualified cooperative eligible to block vote must provide written notice to each eligible producer as to whether and how it intends to cast its vote. The notice shall also identify the final due date for the Commission's receipt of the completed ballot.

§ 1371.8 Qualified cooperative block vote.

(a) Qualified cooperatives may block vote on behalf of their eligible producer members in accordance with section 13(c) of the Compact. The Compact Commission shall ensure that each qualified cooperative is notified of its right to cast a block vote on behalf of eligible members in each producer referendum by the date prescribed pursuant to § 1371.3(b).

(b) A qualified cooperative shall, before casting its ballot in any referendum, give prior written notice to each of its eligible producers of how it intends to cast its vote. The notice and ballot shall be on the form provided by the Commission and shall be mailed by the cooperative to eligible producer members as prescribed in the producer referendum procedure pursuant to § 1371.3. The notice shall make express reference to the ballot documentation

provided by the Compact Commission, and may include a copy of such documentation.

(c) Any qualified cooperative that does not intend to block vote shall give written notice to each of its members on a form approved by the Compact Commission. The notice shall be mailed by the cooperative to eligible producer members as prescribed in the producer referendum procedure pursuant to § 1371.3. The notice shall make express reference to the ballot documentation provided by the Compact Commission, and may include a copy of such documentation.

(d) Each qualified cooperative shall certify to the Compact Commission, on the form provided by the Commission, that it is qualified to block vote and that it has provided proper and timely notice of either the ballot cast or of the decision that the cooperative is not casting a block vote. The cooperative shall mail a copy of the notice to the Commission no later than two days after mailing of notice to members. Cooperatives that are voting shall also submit the original executed ballot in a separate envelope marked "Referendum Ballot," or as otherwise provided in the referendum procedure pursuant to § 1371.3.

(e) If the ballot submitted to the Commission by a qualified cooperative differs in any significant way from the notice of its ballot sent to member producers, then the Commission may take appropriate remedial action.

(f) A producer who is a member of a cooperative that has provided notice of its intent to cast a block vote to approve or not to approve a proposed order or not to cast a block vote and who by ballot expresses his approval or disapproval of the proposed order, shall notify the Compact Commission as to the name of the cooperative of which he or she is a member, and the Commission shall remove such producer's name from the list certified by such cooperative with its corporate vote. If the producer lists the name of a cooperative that is different from the cooperative identified by the ballot number, as determined by the representative period for the referendum, the latter will control.
