

Nevertheless, we have revised that portion of the criteria to clarify that arthralgia is but one type of pain that will satisfy that evaluation criterion.

We have made several nonsubstantive technical corrections.

VA appreciates the comments submitted in response to the proposed rule. Based on the rationales presented in the March 28, 1997, notice of proposed rulemaking and the December 11, 1997, final rule that effected the proposed revision, we affirm the revision adopted in that final rule, except for the changes made in this final rule for the reasons explained above.

The Secretary hereby certifies that this final rule will not have a significant economic impact on a substantial number of small entities as they are defined in the Regulatory Flexibility Act, 5 U.S.C. 601-612. The reason for this certification is that this final rule will not directly affect any small entities. Only VA beneficiaries will be directly affected. Therefore, pursuant to 5 U.S.C. 605(b), this final rule is exempt from the initial and final regulatory flexibility analysis requirements of sections 603 and 604.

This final rule has been reviewed by the Office of Management and Budget under the provisions of Executive Order 12866, Regulatory Planning and Review, dated September 30, 1993.

DEPARTMENT OF VETERANS AFFAIRS

38 CFR Part 17

RIN 2900-AJ34

Provision of Drugs and Medicines to Certain Veterans in State Homes

AGENCY: Department of Veterans Affairs.

ACTION: Interim final rule with request for comments.

SUMMARY: This document amends the "Medical" regulations concerning the provision of drugs and medicines prescribed by non-VA physicians for certain veterans who are permanently housebound or in need of regular aid and attendance. The regulations are amended to allow prescriptions to be

filled by non-VA pharmacies in state homes under contract with VA for filling prescriptions for patients in state homes. This is consistent with VA's special relationship with state homes. It will eliminate duplication of services and will help improve timeliness for filling prescriptions in state homes.

DATES: Effective Date: July 14, 1998.

Comment Date: Comments must be received on or before September 14, 1998.

ADDRESSES: Mail or hand-deliver written comments to: Director, Office of Regulations Management (02D), Department of Veterans Affairs, 810 Vermont Ave., NW, Room 1154, Washington, DC 20420. Comments should indicate that they are submitted in response to "RIN: 2900-AJ34." All written comments received will be available for public inspection at the above address in the Office of Regulations Management, Room 1158, between the hours of 8:00 a.m. and 4:30 p.m., Monday through Friday (except holidays).

FOR FURTHER INFORMATION CONTACT: Jeff Ramirez, Pharmacy Service (119), Veterans Health Administration, Department of Veterans Affairs, 810 Vermont Avenue NW, Washington, DC 20420, (202) 273-8428. (This is not a toll-free number.)

SUPPLEMENTARY INFORMATION: This document amends the "Medical" regulations set forth at 38 CFR Part 17. More specifically, it amends the provisions of § 17.96 which concern the criteria for providing drugs and medicines prescribed by non-VA physicians for certain veterans who are permanently housebound or in need of regular aid and attendance.

Prior to the effective date of this document § 17.96 stated:

Any prescription, which is not part of authorized Department of Veterans Affairs hospital or outpatient care, for drugs and medicines ordered by a private or non-Department of Veterans Affairs doctor of medicine or doctor of osteopathy duly licensed to practice in the jurisdiction where the prescription is written, shall be filled by a Department of Veterans Affairs pharmacy, provided:

(a) The prescription is for:

(1) A veteran who by reason of being permanently housebound or in need of regular aid and attendance is in receipt of increased compensation under 38 U.S.C. chapter 11, or increased pension under § 3.1(u) (Section 306 Pension) or § 3.1(w) (Improved Pension), of this title, as a veteran of the Mexican Border Period, World War I, World War II, the Korean Conflict, or the Vietnam Era (or, although eligible for such pension, is in receipt of compensation as the greater benefit), or

(2) A veteran in need of regular aid and attendance who was formerly in receipt of increased pension as described in paragraph (a)(1) of this section whose pension has been discontinued solely by reason of excess income, but only so long as such veteran's annual income does not exceed the maximum annual income limitation by more than \$1,000, and

(b) The drugs and medicines are prescribed as specific therapy in the treatment of any of the veteran's illnesses or injuries.

This document amends § 17.96 to allow prescriptions to be filled by non-VA pharmacies in state homes under contract with VA for filling prescriptions for patients in state homes. State home pharmacies are fully operational facilities that in many cases can efficiently meet the needs of veterans in the state homes. This action is consistent with VA's special relationship with state homes. It will eliminate duplication of services and will help improve timeliness for filling prescriptions in state homes.

Administrative Procedure Act

This document is published without regard to the notice and comment and effective date provisions of 5 U.S.C. 553 since it pertains to agency management.

Regulatory Flexibility Act

The Secretary hereby certifies that the adoption of this interim final rule will not have a significant economic impact on a substantial number of small entities as they are defined in the Regulatory Flexibility Act, 5 U.S.C. 601-612.

The rule at the most will have only a minuscule economic effect on any small entity. Therefore, pursuant to 5 U.S.C. 605(b), this interim final rule is exempt from the initial and final regulatory flexibility analyses requirements of §§ 603 and 604.

EPA will consider the comments received as it finalizes the remaining amendments in the near future.

SUPPLEMENTARY INFORMATION:

Withdrawal of Amendments that Received Relevant Adverse Comment

On May 6, 1998, EPA issued a direct final rule (63 FR 24963) which included eight amendments clarifying various parts of the used oil management standards and provisions of the hazardous waste regulations concerning used oil. EPA also issued a notice of proposed rulemaking on May 6, 1998 (63 FR 25006), in which the Agency proposed and solicited public comment on the same eight amendments. EPA received relevant adverse comments on three of the amendments in this rulemaking: the amendments to 40 CFR 261.5(j) (mixtures of conditionally exempt small quantity generator waste and used oil), 40 CFR 279.10(i) (applicability of the used oil management standards to used oil contaminated with polychlorinated biphenyls (PCBs)), and 40 CFR 279.74(b) (recordkeeping requirements for marketers of used oil that meets the used oil fuel specification).
