GENERAL SERVICES ADMINISTRATION

Federal Supply Service; Move Management Services (MMS) and the General Services Administration's (GSA's) Centralized Household Goods Traffic Management Program (CHAMP)

AGENCY: Federal Supply Service, GSA.

ACTION: Notice of proposed program changes for comment.

SUMMARY: This notice announces GSA's plan to continue providing MMS under the Household Goods Tender of Service (HTOS) until October 31, 1999, with the expectation of adding MMS to the Governmentwide Employee Relocation Services Schedule as a separate service during the next open season scheduled for Spring 1999. Under this plan GSA will continue to be able to meet customer needs while transitioning MMS to a FAR contract procurement method. This notice supersedes two previous **Federal Register** notices published for comment on this subject (62 FR 64225, December 4, 1997, and 63 FR 30496, June 4, 1998).

DATES: Please submit your comments by September 15, 1998.

ADDRESSES: Mail comments to the Travel and Transportation Management Division (FBT), General Services Administration, Washington, DC 20406, Attn: **Federal Register** Notice. GSA will consider your comments prior to implementing this proposal.

FOR FURTHER INFORMATION CONTACT: Larry Tucker, Senior Program Expert, Travel and Transportation Management Division, FSS/GSA, 703-305-5745.

SUPPLEMENTARY INFORMATION: GSA has been exploring for almost a year alternative procurement strategies for providing MMS to Federal agencies, two of which were published in the **Federal Register** for comment (see references under **SUMMARY** paragraph above). It was our hope to offer GSA customers access to a full spectrum of MMS through an alternative approach by expiration of the current household goods rates on October 31, 1998.

While exploring alternatives, we have continued to meet with customer agencies and household goods industry representatives. Dialogue from these meetings, coupled with reaction to the two previous **Federal Register** notices, have led us to conclude that the Governmentwide Employee Relocation Services Schedule offers a viable long-term strategy for providing MMS to agencies. We can fully transition to providing MMS as a separate service under the schedule during the next
