AGENCY: Office of the Assistant

ACTION: Notice.

SUMMARY: This Notice identifies

surplus Federal property reviewed by
HUD for suitability for possible use to
assist the homeless.

SUPPLEMENTARY INFORMATION: In
accordance with 24 CFR part 581 and
section 501 of the Stewart B. McKinney
Homeless Assistance Act (42 U.S.C.
11411), as amended, HUD is publishing
this Notice to identify Federal buildings
and other real property that HUD has
reviewed for suitability for use to assist
the homeless. The properties were
reviewed using information provided to
HUD by Federal landholding agencies
regarding unutilized and underutilized
buildings and real property controlled
by such agencies or by GSA regarding
its inventory of excess or surplus
Federal property. This Notice is also
published in order to comply with the
December 15, 1988 Court Order in

*National Coalition for the Homeless v.
Veterans Administration*, No. 88–2503–
OG (D.D.C.).

Properties reviewed are listed in this
Notice according to the following
categories: Suitable/available, suitable/
unavailable, suitable/to be excess, and
unsuitable. The properties listed in the
three suitable categories have been
reviewed by the landholding agencies,
and each agency has transmitted to
HUD: (1) Its intention to make the
property available for use to assist the
homeless, (2) its intention to declare the
property excess to the agency's needs, or
(3) a statement of the reasons that the
property cannot be declared excess or
made available for use as facilities to
assist the homeless.

Properties listed as suitable/available
will be available exclusively for
homeless use for a period of 60 days
from the date of this Notice. Homeless
assistance providers interested in any
such property should send a written
expression of interest to HHS, addressed
to Brian Rooney, Division of Property
Management, Program Support Center,
HHS, room 5B–41, 5600 Fishers Lane,
Rockville, MD 20857; (301) 443–2265.
(This is not a toll-free number.) HHS
will mail to the interested provider an
application packet, which will include
instructions for completing the
application. In order to maximize the
opportunity to utilize a suitable
property, providers should submit their
written expressions of interest as soon
as possible. For complete details
concerning the processing of
applications, the reader is encouraged to
refer to the interim rule governing this
program, 24 CFR part 581.

For properties listed as suitable/to be
excess, that property may, if
subsequently accepted as excess by
GSA, made available for use by the
homeless in accordance with applicable
law, subject to screening for other
Federal use. At the appropriate time,
HUD will publish the property in a
Notice showing it as either suitable/
available or suitable/unavailable.

For properties listed as suitable/
unavailable, the landholding agency has
decided that the property cannot be
declared excess or made available for
use to assist the homeless, and the
property will not be available.

Properties listed as unsuitable will
not be made available for any other
purpose for 20 days from the date of this
Notice. Homeless assistance providers
interested in a review by HUD of the
determination of unsuitability should
call the toll free information line at 1–
800–927–7588 for detailed instructions
or write a letter to Mark Johnston at the
address listed at the beginning of this
Notice. Included in the request for
review should be the property address
(including zip code), the date of
publication in the **Federal Register**, the
landholding agency, and the property
number.
