

Act of 1995, Public Law 104-13. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid control number. Comments are requested concerning (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

DATES: Persons wishing to comment on this information collection should submit comments October 5, 1998.

ADDRESSES: Direct all comments to Les Smith, Federal Communications Commissions, Room 234, 1919 M St., NW., Washington, DC 20554 or via internet to lesmith@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collections contact Les Smith at 202-418-0217 or via internet at lesmith@fcc.gov.

SUPPLEMENTARY INFORMATION:

OMB Approval Number: 3060-0661.

Title: Section 21.931, Partitioning of BTAs.

Form Number: N/A.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit entities.

Number of Respondents: 10.

Estimated Time Per Response: 7 hours (1 hour/respondent; 4 hours/contract attorney; 2 hours/contract engineer).

Frequency of Response: On occasion reporting requirements.

Total Annual Burden: 10 hours.

Cost to Respondents: \$11,000.

Needs and Uses: Section 21.931 permits a Basic Trading Area (BTA) to enter into contracts with eligible parties to partition any contiguous portion of its service area. Under Section 21.931 (a) (2), applicants are required to submit partitioning contracts with the Commission within 30 days of the date the contracts are reached. These contracts will be submitted with one of the following: (1) an MDS long-form application; (2) an application for assignment or transfer; or (3) a statement of intention. These collections have

separate OMB control numbers. These partitioning contracts will facilitate the development of successful wireless cable systems in rural areas and will make the most efficient use of the available spectrum. The contracts designate the specific geopolitical boundaries used to partition the BTA. The Commission will apply the same MDS technical rules to partitioned service areas.
