Agency Information Collection Activities: Extension of a Currently Approved Collection; Comment Request

ACTION: Notice of information collection under review; Extension of a currently approved collection; Procedures for the administration of section 5 of the Voting Rights Act of 1965.

The Department of Justice, Civil Rights Division, has submitted the following information collection request utilizing emergency review procedures, to OMB for review and clearance in accordance with the 5 CFR 1320.13(a)(1)(ii) and (a)(2)(iii) of the Paperwork Reduction Act of 1995. The Civil Rights Division has determined that it cannot reasonably comply with the normal clearance procedures under this part of the Act because normal clearance procedures are reasonable likely to prevent or disrupt the collection of information.

The information collection is now published to obtain comments from the public and affected agencies. OMB approval has been requested by July 31, 1998. If granted, the emergency approval is only valid for 180 days.

Comments and questions about the emergency information collection request listed below should be forwarded to OMB, Office of Information and Regulatory Affairs, Attention: Department of Justice Desk Officer, Washington, DC 20530.

During the first 60 days of this same period a regular review of this information collection is also being undertaken. Comments are encouraged and will be accepted until October 5, 1998. Written comments and suggestions from the public and affected agencies concerning the proposed collection of information should address one or more of the following four points:

1. Evaluate whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
2. Evaluate the accuracy of the agencies estimate of the burden of the collection of information, including the validity of the methodology and assumptions used;

3. Enhance the quality, utility, and clarity of the information to be collected; and

4. Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Additionally, comments may also be submitted to the Department of Justice (DOJ), Justice Management Division, Information Management and Security Staff, Attention: Department Clearance Officer, Suite 850, Washington Center, 1001 G Street, NW, Washington, DC 20530.
