#### **Additions**

After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the services and impact of the additions on the current or most recent contractors, the Committee has determined that the services listed below are suitable for procurement by the Federal Government under 41 U.S.C. 46-48c and 41 CFR 51-2.4.

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the services to the Government.

2. The action will not have a severe economic impact on current contractors for the services.

3. The action will result in authorizing small entities to furnish the services to the Government.

4. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46-48c) in connection with the services proposed for addition to the Procurement List.

Accordingly, the following services are hereby added to the Procurement List:

#### *Administrative Services*

This action does not affect current contracts awarded prior to the effective date of this addition or options that may be exercised under those contracts.

#### **Deletions**

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities.

2. The action will not have a severe economic impact on future contractors for the commodities.

3. The action will result in authorizing small entities to furnish the commodities to the Government.

4. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46-48c) in connection with the commodities deleted from the Procurement List.

After consideration of the relevant matter presented, the Committee has determined that the commodities listed below are no longer suitable for procurement by the Federal Government under 41 U.S.C. 46-48c and 41 CFR 51-2.4.

## DEPARTMENT OF COMMERCE

### Submission for OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

*Agency:* Bureau of the Census.  
*Title:* Questionnaire Pretesting Research.

*Form Number(s):* Various.  
*Agency Approval Number:* 0607-0725.

*Type of Request:* Revision of a currently approved collection.

*Burden:* 5,500 hours.  
*Number of Respondents:* 5,500.  
*Avg Hours Per Response:* 1 hour.

*Needs and Uses:* The Census Bureau maintains a generic clearance which relaxes some of the time constraints and enables the Census Bureau to conduct extended cognitive and questionnaire design research as part of testing for the censuses and surveys it conducts. This research program is used by the Census Bureau and survey sponsors to improve questionnaires and procedures, reduce respondent burden, and ultimately increase the quality of data collected in Census Bureau censuses and surveys. Pretesting activities are generally small-scale and involve one of the following methods for identifying measurement problems with the questionnaire or survey procedure: cognitive interviews, focus groups, respondent debriefings, field tests, and split sample experiments.

A block of burden hours is reserved at the beginning of each year, and the particular activities that will be conducted under the clearance are not specified in advance. The Census Bureau provides information to OMB about the specific pretesting activities on a flow basis throughout the year. OMB is notified of each pretesting activity in a letter that gives specific details about the activity, rather than by means of individual clearance packages. At the end of each year, a report is submitted to OMB that summarizes the number of hours used as well as the nature and results of the activities completed under the clearance.

Two changes are proposed to the current clearance. First, we plan to include the possibility of research about incentives. Second, we plan to increase the burden by 1,000 hours to cover the possibility of split panel experiments with multiple (more than 2) panels.

*Affected Public:* Individuals or households, Businesses or other for-profit organizations, Farms.

*Frequency:* On occasion.

*Respondent's Obligation:* Voluntary.

*Legal Authority:* Since many different surveys sponsored by the Census Bureau and other Federal Agencies may be pretested under this clearance, many different authorities may apply. For Census Bureau sponsored surveys, the following may apply: Title 13 U.S.C., Sections 131, 141, 142, 161, 181, 193, and 301. For surveys sponsored by other Federal agencies, Title 15 U.S.C., Section 1525 and/or other authorities will apply.

*OMB Desk Officer:* Nancy Kirkendall, (202) 395-7313.

Copies of the above information collection proposal can be obtained by calling or writing Linda Engelmeier, DOC Forms Clearance Officer, (202) 482-3272, Department of Commerce, room 5327, 14th and Constitution Avenue, NW, Washington, DC 20230.

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to Nancy Kirkendall, OMB Desk Officer, room 10201, New Executive Office Building, Washington, DC 20503.

Dated: August 3, 1998.
