Title: National Archives and Records Administration Class Evaluation Forms.
OMB number: 3095-0023.

Agency form number: NA Forms 2019A, 2019B, 2019C, and 2019D.

Type of review: Regular.

Affected public: Individuals or households, Business or other for-profit, Nonprofit organizations and institutions, Federal, state, local, or tribal government agencies.

Estimated number of respondents: 6,744.

Estimated time per response: 5 minutes.

Estimated total annual burden hours: 562 hours.

Abstract: The information collection allows uniform measurement of customer satisfaction with NARA training. NARA distributes the approved forms to the course coordinators on diskette for customization of selected elements, shown as shaded areas on the forms submitted for clearance. NARA Form 2019A is used for courses having a single instructor; Form 2019B is used for courses with two instructors team-teaching, as is common in records management classes; and Form 2019C is used for one-day courses with several topics that are taught by different instructors or speakers, as is common with some archival and genealogical workshops. These forms are distributed at the end of the class for completion before the participant leaves. NARA Form 2019D is used for courses held on multiple days with a variety of speakers or instructors; this class format is used in the twice yearly Modern Archives Institute and some genealogical courses. For these courses, the daily evaluation form (NARA Form 2019D front) is distributed on a daily basis so the student may provide a rating while the experience with the material and instructor is fresh. The overall evaluation (NARA Form 2019D back) is distributed at the end of the class. The enclosed "Use of NARA Class Evaluation Form" instructions identify the degree of customization allowed on the forms.

collection; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including the use of information technology. In this notice, NARA is soliciting comments concerning the following information collection:

Title: National Archives Order for Copies of Ship Passenger Arrival Records, National Archives Order for Copies of Census Records, and National Archives Order for Copies of Eastern Cherokee Applications.

OMB number: 3095-0027.

Agency form numbers: NATF Forms 81, 82, and 83.

Type of review: Regular.

Affected public: Individuals who wish to order copies of Ship Passenger Arrival Records, Federal population census schedules through the 1920 census, and Eastern Cherokee Applications of the U.S. Court of Claims, 1906-1909, in the National Archives of the United States.

Estimated number of respondents: 12,000.

Estimated time per response: 10 minutes.

Frequency of response: On occasion (when respondent wishes to search for or order copies of Ship Passenger Arrival Records, Federal population census schedules through the 1920 census, and Eastern Cherokee Applications from the U.S. Court of Claims, 1906-1909).

Estimated total annual burden hours: 2,000.

Abstract: The NATF form 81 will be used by researchers to request that NARA search for and make copies of pages from passenger arrival lists in the custody of the National Archives. The NATF form 82 will be used by researchers to request that NARA search for and make copies of pages of Federal population census schedules through the 1920 census. The NATF form 83 will be used by researchers to request that NARA search for and make copies of Eastern Cherokee applications of the U.S. Court of Claims, 1906-1909. Submission of requests on a form is necessary to handle in a timely fashion the volume of requests received for these records (approximately 10,000 per year for the NATF 81, approximately 1,400 per year for the NATF 82, and approximately 600 per year for the NATF 83) and the need to obtain specific information from the researcher to search for the records sought. The form will be printed on carbonless paper as a multi-part form to allow the researcher to retain a copy of his request

and NARA to respond to the researcher on the results of the search or to bill for copies if the researcher wishes to order the copies. As a convenience, the form will allow researchers to provide credit card information to authorize billing and expedited mailing of the copies. NARA is not able at present to accept electronic submission of requests; however, we intend to address security of financial information and other issues as we continue our efforts to increase electronic access to NARA and its holdings.
