Colorado Interstate Gas Company; Notice of Request Under Blanket Authorization

August 7, 1998.

Take notice that on July 31, 1998, Colorado Interstate Gas Company (CIG), P. O. Box 1087, Colorado Springs, Colorado 74101, filed in Docket No. CP98-705-000 a request pursuant to Sections 157.205 and 157.216 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205, 157.216) for authorization to abandon the Antelope Ridge Meter Station by sale of BTA Oil Producers (BTA), located in Lea County, New Mexico, under CIG's blanket certificate issued in Docket No. CP83-21-000, pursuant to Section 7(c) of the Natural Gas Act, all as more fully set forth in the request that is on file with the Commission and open to public inspection.

CIG proposes to abandon the Antelope Ridge Meter Station, located in Section 24, Township 23 South, Range 34 East, Lea County, New Mexico. CIG declares that the meter station was authorized pursuant to an order that was issued March 26, 1976 in Docket No. CP75-189. CIG states that the gathering facilities upstream of the Antelope Ridge Meter Station were originally owned and operated by CIG and the meter measured gas into Natural

Gas Pipeline Company of America's transmission system. CIG asserts that they abandoned the upstream gathering facilities in its spindown filing by transfer to CIG Field Services. CIG declares that a final Order Denying Rehearing and Dismissing Protect authorizing abandonment was issued on September 25, 1996, in Docket No. CP96-41. CP96-41. CIG states that CIG Field Services has now entered into an agreement to sell the upstream gathering facilities to BTA and as the Antelope Ridge Meter Station is on CIG's books as a transmission system facility, CIG is proposing to abandon this facility by sale to BTA.

Any person or the Commission's staff may, within 45 days after issuance of the Instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.
