Westmore Drilling Co., Inc. & R.O. Thompson; Notice of Petition for Dispute Resolution and Adjustment

August 11, 1998.

Take notice that on July 8, 1998, Westmore Drilling Co., Inc. and R.O. Thompson (collectively Westmore) filed the above-referenced petition, pursuant to section 502(c) of the Natural Gas Policy Act of 1978. Westmore's petition rejects the Kansas ad valorem tax refund claims made by Williams Natural Gas Central, Inc. (Williams), because Williams has failed to demonstrate that the amount received by Westmore, inclusive of Kansas ad valorem tax reimbursement, exceeded an applicable maximum lawful price under the NGPA. If adjustment relief becomes necessary (i.e., if the Commission determines that Westmore owes Kansas ad valorem tax refunds to Williams), Westmore requests to be relieved from making the refunds attributable to royalties, on the ground that such refunds are now uncollectible. Westmore asserts uncollectability based on the enactment of section 7 of House Bill No. 2419, by the State of Kansas. Westmore's petition is on file with the Commission and is open to public inspection.

The Commission, by order issued September 10, 1997, in Docket No. RP97-369-000 *et al.*,¹ on remand from

the D.C. Circuit Court of Appeals,² directed First Sellers to make Kansas ad valorem tax refunds, with interest, to the appropriate pipelines, for the period from 1983 to 1988. In its January 28, 1998 Order Clarifying Procedures [82 FERC ¶ 61,059 (1998)], the Commission stated that producers (i.e., First Sellers) could file dispute resolution requests with the Commission, asking the Commission to resolve the dispute with the pipeline over the amount of Kansas ad valorem tax refunds owed.

Any person desiring to be heard or to make any protest with reference to any of these petitions should on or before 15 days after the date of publication in the **Federal Register** of this notice, file with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214, 385.211, 385.1105, and 385.1106). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Secretary.
