

**DEPARTMENT OF TRANSPORTATION**

**Coast Guard**

**33 CFR Parts 100 and 165**

[USCG-1998-4306]

**Safety Zones, Security Zones, and Special Local Regulations**

**AGENCY:** Coast Guard, DOT.

**ACTION:** Notice of temporary rules issued.

**SUMMARY:** This document provides required notice of substantive rules adopted by the Coast Guard and temporarily effective between April 1, 1998 and June 30, 1998, which were not published in the **Federal Register**. This quarterly notice lists temporary local regulations, security zones, and safety zones of limited duration and for which timely publication in the **Federal Register** may not have been possible.

**DATES:** This notice lists temporary Coast Guard regulations that became effective and were terminated between April 1, 1998 and June 30, 1998, as well as several regulations which were not included in the previous quarterly list.

**ADDRESSES:** The Docket Management Facility maintains the public docket for this notice. Documents indicated in this preamble will be available for inspection or copying at the Docket Management Facility, U.S. Department of Transportation, Room PL-401, 400 Seventh Street SW., Washington, DC 20593-0001 between 10 a.m. and 5 p.m., Monday through Friday, except

Federal Holidays. You may electronically access the public docket for this notice on the Internet at <http://dms.dot.gov>, Monday through Friday, except Federal holidays.

**FOR FURTHER INFORMATION CONTACT:**

For questions on this notice, contact Lieutenant Junior Grade Mark Cunningham, Office of Regulations and Administrative Law, telephone (202) 267-6233. For questions on viewing, or on submitting material to the docket, contact Dorothy Walker, Chief, Dockets, Department of Transportation (202) 866-9329.

**SUPPLEMENTARY INFORMATION:** District Commanders and Captains of the Port (COTP) must be immediately responsive to the safety needs of the waters within their jurisdiction; therefore, District Commanders and COTPs have been delegated the authority to issue certain local regulations. Safety zones may be established for safety or environmental purposes. A safety zone may be stationary and described by fixed limits or it may be described as a zone around a vessel in motion. Security zones limit access to vessels, ports, or waterfront facilities to prevent injury or damage. Special local regulations are issued to enhance the safety of participants and spectators at regattas and other marine events. Timely publication of these regulations in the **Federal Register** is often precluded when a regulation responds to an emergency, or when an event occurs without sufficient advance notice. However, the affected public is informed of these regulations through

Local Notices to Mariners, press releases, and other means. Moreover, actual notification is provided by Coast Guard patrol vessels enforcing the restrictions imposed by the regulation. Because mariners are notified by Coast Guard officials on-scene prior to enforcement action, **Federal Register** notice is not required to place the special local regulation, security zone, or safety zone in effect. However, the Coast Guard, by law, must publish in the **Federal Register** notice of substantive rules adopted. To meet this obligation without imposing undue expense on the public, the Coast Guard periodically publishes a list of these temporary special local regulations, security zones, and safety zones. Permanent regulations are not included in this list because they are published in their entirety in the **Federal Register**. Temporary regulations may also be published in their entirety if sufficient time is available to do so before they are placed in effect or terminated. The safety zones, special local regulations and security zones listed in this notice have been exempted from review under Executive Order 12866 because of their emergency nature, or limited scope and temporary effectiveness.

The following regulations were placed in effect temporarily during the period April 1, 1998 and June 30, 1998, unless otherwise indicated.

Dated: August 13, 1998.

**Michael L. Emge,**

*Commander, U.S. Coast Guard, Executive Secretary, Marine Safety Council.*

**ENVIRONMENTAL PROTECTION AGENCY**

**40 CFR Part 52**

[GA-34-3-9819a; FRL-6143-7]

**Approval and Promulgation of Implementation Plans Georgia: Approval of Revisions to the Georgia State Implementation Plan**

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Direct final rule.

**SUMMARY:** The EPA is approving a revision to the Georgia State Implementation Plan (SIP). This revision was to incorporate the Post

1996 Rate-of-progress Plan (9 percent plan) submitted by the State of Georgia through the Georgia Environmental Protection Division (EPD) on November 15, 1993, and amended on June 17, 1996. Supplemental information was submitted on April 14, 1998. This submittal was made to meet the reasonable further progress requirements of section 182(c)(2) of the Clean Air Act, as amended in 1990 (CAA).

**DATES:** This direct final rule is effective October 26, 1998 unless adverse or critical comments are received by September 24, 1998. If adverse comment is received, EPA will publish a timely withdrawal in the **Federal Register** informing the public that this rule will not take effect.

**ADDRESSES:** Written comments on this action should be addressed to Scott M.

Martin, at the EPA Regional Office listed below.

Copies of the documents relative to this action are available for public inspection during normal business hours at the following locations.
